PRESIDENT ORDWAY: Good morning, Chiefs, Delegates, Alternates, Life Members, and guests. I call the 145th Convention of the New Jersey State Firemen's Association to order.

The exits are to my right and left and in the rear to your left and right.

Should there be a need to use them, please take directions from the dais.

Please shut off all pagers and cell phones or place them on vibrate.

Anyone whose hearing is impaired can pick up a hearing device at the rear of the hall or at the concierge desk.

At this time, we will begin our Memorial Service.

Will the Bergen County Firefighters Pipe Band please lead the Wildwood Fire Department Honor Guard in for the posting of the Colors and the Memorial Service.

Please stand.

(Colors are presented.)

PRESIDENT ORDWAY: Please remain standing for the Invocation, Pledge of Allegiance, and the singing of our National Anthem.

CHAPLAIN ANTHONY SARANCHAK: God, our Father, as life slowly moves back to our regular activities, we gather in Your Name and praise You. Even in the depths of our cries and sorrows God asks us to praise Him. In the Book of Psalms, we read:

“Your love, Lord, reaches to the heavens, Your faithfulness to the skies. Your righteousness is like the highest mountains, Your justice like the great deep.

“How priceless is Your unfailing love, Oh God.

“With You, God, as the fountain of life; in Your light we see light.”

Many things in life have changed in the last few years. May we continue to turn to God to trust and that all the trials, struggles, and losses in life bring us closer to Him and a stronger faith to serve each day.

May God bless this Convention, the Association, and all those who we honor and remember today.

We ask all this through God, our Father.

Amen.

(Pledge of Allegiance led by Vice President Hankins.)

(National Anthem led by Executive Committeeman Roemmich.)

PRESIDENT ORDWAY: You may be seated.

MR. LYNCH: Good morning.

(MR. LYNCH reads as follows:)

Firemen's Prayer

When I am called to duty, God
Wherever flames may rage
Give me strength to save a life
Whatever be its age.

Let me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert
And hear the weakest shout,
And quickly and efficiently
To put the fire out.

I want to fill my calling
To give the best in me,
To guard my friend and neighbor
And protect their property.

And, if, according to your will
I have to lose my life,
Please bless, with your protecting hand,
My family and my wife.

CHAIRMAN LYNCH: Thank you.

(Ringing of the Bell.)

(Playing of the Bagpipes.)

CHAPLAIN DAN SCHAFER: A reading from the Book of Ecclesiastes.

“To every thing there is a season. To every time, to every purpose under Heaven.

“A time to be born, a time to die; and a time to plant, and a time to pluck up that which is planted.”

Today we celebrate life. I ask you this morning: What plant have you planted in your life anticipating the blooming and the ultimate of that effort?

Unfortunately, weeds will always grow up along with the plant, but we let the weeds and the seeds go together. Because if we pull out the weeds, we pull out the seeds.

We are looking to a new season. A new day. A new time. But you can't have a new season until you're willing to say goodbye to what you had.

Saying goodbye to what we've had and those who have given of themselves, we remember them today.

If you're stubborn in your thoughts in the future, you'll delay what's next in your season, and you might miss your harvest, so you have an impact on life. You must understand timing. Timing is very important in life. Our time is not God's time. There's an art in living. There's joy in living. There's sadness in living. Timing is very, very important in life. Hitting a home run is timing over skill. If you swing at the wrong time, you strike out, and you can't hurry them. Timing is critical. Timing is critical in this day and age in which we live.

Do you understand your season? What season are you in?

Right about what you said, but wrong at the same time you said it.

Timing is critical. The wounded can bleed out in two to five minutes. And we're supposed to be here to hear this message today.

This message is a remembrance. It's a time of forethought. It's a time of what is ahead, what is for tomorrow.

I know what the clock says. What does your clock say? What does my clock say?

Knowing when to hold them and knowing when to fold them is the generation we live. We never know when that moment of that time may come when God shall call us home. So why would I want to speak to people who don't want to think about eternity and what the Lord has provided for us?

I think of the word “understanding.”

Understanding is the truth that we stand under. And we stand under that truth with the hope and faith that Almighty God will bring through this life.

Those who can't or don't track time will always be late and never on time.

We are here today for such a time as this.

Life is filled with weeds. We all know that. But we best ignore them. Because as we grow and as we learn in life, we know that those weeds are growing with us.

And the message we have to remember is we let the weeds grow with the crop, and we stand and we sit here today knowing that, as Ecclesiastes tells us, time is short for all of us and we look forward to the harvest of our wheat.

If we don't take care of our wheat, if we don't take care of one another, those of you that are here today that risk your lives on a daily basis, sometimes we like to pull out the weeds. But just remember, when you pull out the weeds, we may pull out to our harvest.

May God have His blessings on His word.

Thank you.

FIREFIGHTER GARY BURGIN: Shall we pray?

(Firefighter Gary Burgin singing of the Lord's Prayer.)

(Executive Committeeman Gerard Naylis singing of “You Raise Me Up.”)

(CHAIRMAN LYNCH recites “The Firemen's Prayer.”)

When I am called to duty, God
Wherever the flames may rage
Give me strength to save a life
Whatever be its age.

Let me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert
And hear the weakest shout
And quickly and efficiently
To put the fire out.

I want to fill my calling
To give the best in me.
To guard my friend and neighbor
and protect their property.

And, if, according to Your will,
I have to lose my life,
Please bless with Your protecting hand,
My family and my wife.

(Firefighter Harvey Bailey sings "God Bless America.")

CHAPLAIN ANTHONY SARANCHAK: Let us pray, God, to slow down in life and make the most out of each moment, asking God to show us the path, asking God to help us use in the best way possible the gifts given to each, and, most of all, to give God glory in each moment, no matter how good or bad.

As time passes by, things change with the time. Every moment, hour, day, month, and year. All things have their turn to change with the time. Life, time, and events change with the years. Everyone, everything has a time and day. Change is life, the course of life every day. All things change and we change with them all days. Only the Eternal One is constant. The world may change, but God's true love is always there for us.

God bless this day and may every day bring you love, peace, and strength.

Amen.

PRESIDENT ORDWAY: At this time, I would ask the Wildwood Fire Department Honor Guard to retire the Colors.

(Wildwood City Fire Department Honor Guard retires the Colors.)

(Exit of Bagpipers.)

PRESIDENT ORDWAY: Memorial Committee, you are dismissed from your post.

I would like to thank the Bergen County Firefighters Pipe Band, the Wildwood Fire Department Honor Guard, and the Memorial Committee for the Memorial Service.

I also want to thank the Trout family for attending today in honor of their loved one.

Reading of the Call to Convention, Thomas Pelaia.

For the video people, can you put those scrolling names on full screen rather than anybody at the dais?

(SECRETARY PELAIA reads as follows:)

I'd also like to thank our Chaplains that attended today, Chaplain Dan Shafer and Chaplain Anthony Saranchak.

We'll now have our guest speakers.

I'm sorry to say the Governor had a conflict today and could not be here this morning.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: He does apologize.

We'll hear first from Wildwood Mayor, Pete Byron.

MAYOR BYRON: Well, at least I didn't get any applause like the previous gentleman whose name was mentioned so –

Listen, welcome back.

It's been a couple years since you've all been here. It's, like, fantastic to look out and see I don't know how many thousands of folks we have here, including the folks that couldn't make it in here.

I think it's kind of pretty cool that a couple days ago we had a remembrance. The twenty-first year since 9/11.

That I don't think is positive, but what I do think is the fact that, during my speech a few days ago, I also, in addition to telling everyone please – every day we should give thanks – right? – to all of our Veterans for all that they've done and all they continue to do. But, I also said a situation like happened 21 years ago also brings to light the importance of not only of our Veterans, but also of our Police, our Firemen, and our EMT as well.

I have a son that's a Fireman. I've often said that Firemen and Firewomen is more like a fraternity. I deal with the Police. I deal with Fire. I deal with all different types of organizations, but I've never seen an organization like you folks that stick together as a family.

You hang out together. It's just incredible the comradeship that Firepeople have to one another and I just think that that's pretty special. And I also wanted, again, to thank you all for everything that you do on a daily basis.

I'm circling back now to the 9/11 remembrance because I'm sure there's many people out here right now that were in New York during that unfortunate time, and I want to thank you for what you did then, and I want to thank everyone here today for what you do on a continual basis because you just never know. You know, you never know when you leave in the morning what you're going to be up against possibly during the day.

Welcome back to Wildwood. Have a great time. I'd made sure with the Man above that the weather is going to be nice for you for the next three or four days. Enjoy. God bless. And God bless America. Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have Wildwood Deputy Chief Daniel Dunn.

DEPUTY CHIEF DUNN: Thank you, Mr. President.

Good morning, everyone.

So Chief Troiano could not be here this morning. And just to give you a little background, three years ago in 2020, Chief Troiano and I got promoted with the retirement of Dan Spiegel, our previous Chief.

We got promoted in January, and two days later we were told there was going to be a presidential visit to our city right here in this building, so it was kind of trial by fire. We hit the ground running.

A couple months later, we got hit with the COVID pandemic. And since then, it's been one thing after another for us and we're taking it in stride. And today is no different.

The Chief had an unfortunate family emergency that prevented him from being here, so it's kind of off the cuff here that I'm standing up here before you.

Foremost, I want to welcome everybody here to our great city. Echo what the Mayor said.

We're honored and humbled that you all choose our city to have this Convention here every year. It's great for our entire community and for all of our businesses and it definitely is the largest convention that we host, so we are truly humbled.

On behalf of all the men and women on the Wildwood Fire Department, I'm also humbled to represent them.

If there's anything that we can ever do to accommodate you or to make this Convention better, please do not hesitate to reach out.

A couple things I want to mention this weekend that are going on tonight: At Sea Port Pier at 22nd and the Boardwalk in North Wildwood, there is the Fire Hero Bash that's going to benefit the National Fallen Firefighters Foundation. It's going to be a great event for a great cause.

And then if anybody's still hanging around on Sunday morning, we're having the Wildwood Fire Department Memorial Stair Climb at Sandman Towers in Wildwood at Lincoln and New Jersey Avenues beginning at nine o'clock. And that benefits the Tunnel to Towers Foundation.

So, again, we hope you have a great Convention. We're proud to keep all of you and your families safe while you're here, and just enjoy.

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Chief, I'd like to present you with this trophy from the New Jersey State Firemen's Association for Best Appearing Overall Department in the parade tomorrow.

DEPUTY CHIEF DUNN: Thank you.

PRESIDENT ORDWAY: You got it, Chief.

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have Wildwood Convention Center Executive Director John Siciliano.

EXECUTIVE DIRECTOR SICILIANO: Thank you, Mr. President.

Good morning, New Jersey State Firefighters.

To echo what the Mayor just said earlier, it is really great and good to see you guys all back here in the New Jersey State Firemen's Memorial Exhibit Hall once again. After three years of, you know, not being able to get together and meet in here, it's awesome to see you.

So, on behalf of the Wildwood Tourism Authority and the New Jersey Sports and Exposition Authority, it's my pleasure to welcome you back and our pleasure to host your 2022 New Jersey State Firemen's Convention here in the Wildwoods.

This Convention represents the 47th year that you're meeting here in the Wildwoods. And it would have been 48 consecutive years, except for 2020 when, you know, we were all dealing with COVID.

So, we just want you to know that when we work with your Convention Committee all year long, we partner with your organization to provide our facilities so you can have this Convention here as a "thank you" for not only the economic impact that you make on our community while you're here, but also as a "thank you" and an acknowledgment for everything that you all do all year long in your communities and in our state. And I just want to tell you that we will continue to remain committed to your organization to provide you whatever it is that your needs are to make this Convention the best that it can be and hopefully for many years to come, so we thank you.

And I do have something that I would like to give to your President.

Mr. Ordway, on behalf of the Wildwood Tourism Authority, we would like to thank you for your support of the Wildwoods and also thank you for a successful year as President in 2022.

PRESIDENT ORDWAY: Thank you.

EXECUTIVE DIRECTOR SICILIANO: You're welcome.

So, again, thank you for being here. Thank you for all you do. Have a great Convention and a great parade on Saturday and a safe trip to your homes.

Thanks.

PRESIDENT ORDWAY: Before we continue, I need to say that it was brought to my attention by a Firefighter when they saw on the website that the tram service was not going to be operating this weekend. And we made some phone calls from the State Office. And there are two gentlemen up here on the stage that had a lot to do with getting that tram service and the jitney operational this morning and tomorrow also, and that was Mayor Pete Byron and the Convention Director John Siciliano.

There's a lot of people that work behind the scenes, but I want to thank them for their efforts in getting those services back for us.

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have New Jersey Director of Fire Safety Mikutsky.

DIRECTOR MIKUTSKY: Thanks.

Good morning, Delegates, Life Members, Brothers and Sisters.

It's certainly tremendous to see all these faces back in seats after the past 30 months that we've been through here in New Jersey, across the country, and across the world.

You know, a true sense of the Fire Service, the last 30 months for First Responders and our healthcare personnel have been – they've been taxed and they've been burdened like never before, but a true sense of the Fire Service every single day. You stood up and you went to work and you did what you had to do for the citizens of New Jersey. And on behalf of the Division of Fire and Safety, I want to thank you for your dedication and for your service to our citizens.

You know, as I said, the last 30 months we were taxed and we were hit and we were – a lot of Departments were even shut down for a while because their Members contacted [sic] COVID-19, but you still continued to operate.

A lot of Departments out here around the state are doing more with less and they're being asked every day to do more with less.

You know, I'll leave you with this: They can take away our fire trucks. They can take away our equipment. They can take away our dedication – or they can't take away our dedication because we are the Fire Service and there's nobody better.

Have a safe Convention, and be safe.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have Chief Kevin Cooney from the National Fallen Firefighters Foundation.

CONVENTION BODY: (Applause.)

CHIEF COONEY: Good morning. Thank you.

The Chief mentioned the Beach Bash, and I was told to keep it short, so thanks, and have a great day.

CONVENTION BODY: (Applause.)

CHIEF COONEY: No, seriously. My name is Kevin Cooney and I'm honored to stand before you and thank you for allowing us to be here on behalf of the National Fallen Firefighters Foundation.

How many of you know what the organization is all about?

Okay. I want to see every hand up next time.

So, the National Fallen Firefighters Foundation was formed by Congress in 1992 with really three missions: One is to honor our Fallen, to support the families, and to prevent future Line-of-Duty Death and service injuries. So, it's hard not to embrace that; right?

The Board is made up of different groups: We have survivors, we have Fire Service personnel, and we have sponsors.

We rely heavily on sponsors. I was told today that my speech here today is not really based on what you think of it. It's based on how well you fill our boots.

We've got two boots out there, so I would encourage you to fill the boots. If you fill the boots, I know I did a good job.

But in all seriousness, every October we have a Memorial Service where we honor our Fallen Firefighters. This October we're honoring 148 Firefighters. That's just not a number; it's a person behind that. A Firefighter, just like you and I, that went to work and didn't come home or went into a fire and didn't come home. 148.

Think about the trickle-down effect of not only that person, but their families and their Fire Departments, and that number is now huge. So, 148 may be big in itself, but when you think about the trickle-down effect and how every one of them has a huge effect on all of us and how it affects families, and that's why we do what we do.

Every time we meet a survivor and meet a family, it gives me passion to do what I do. And we need your support.

We have great corporate sponsors. We have a lot of corporate sponsors, but every little penny helps.

So, the Beach Bash tonight is going to be an awesome time. I hope to see every one of you at Beach Bash tonight. And we have two booths, inside and outside. I welcome you to stop by and visit our booths. We've got family survivors out there that can talk to you more about the Foundation and take you less time now, but thank you. Thank you for having us. God bless all of you, and God bless the National Fallen Firefighters Foundation.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Our next speaker is a very special young lady.

Through tragedy, she has done a wondrous thing for the Fire Service.

I'll ask Donna Buscio, who created the program, *A Gift From Captain Buscio*, to come up and speak.

CONVENTION BODY: (Applause.)

MS. BUSCIO: Good morning and thank you, very much for allowing me the opportunity to see you today. I'm so happy this pandemic is hopefully over.

A Gift From Captain Buscio, for those of you who are not familiar, was a program that I founded 20 years ago, 20-plus years ago, because my husband passed away of heart disease. And when I did the research, I found out that too many Firefighters were dying of heart disease.

There were other variables that were happening at the time.

When I did this research, I found out back then there were no HIPAA laws, so your medical information was pretty much going through interoffice envelopes throughout the department.

A lot of Firefighters felt their employer was paying for their health insurance, so they didn't trust that they wouldn't be taken off the line if they were found to have a diagnosis such as emphysema where you wouldn't be able to wear a Scott, so you'd be off the job, and we all have mortgages in our lives to provide for our families, so that was a tremendous obstacle. Confidentiality. Out-of-pocket expense was another consideration. And at the time there was no facility where you could go and have testing, comprehensive testing all in one place without having to make separate appointments for separate locations.

So, we concentrated on the three Cs: confidentiality, cost effectiveness, and – confidentiality, cost effectiveness, and just being able to go conveniently to one location.

Today we have four locations: Paramus, Secaucus, Elizabeth, and Lakewood. Lakewood is our latest. I believe we opened Lakewood two, three years ago.

We were open during the pandemic. It wasn't going to keep us from taking care of the Firefighters who provide a tremendous service to their communities.

We appreciate with all of our hearts what you do for us, so please let us have your back and take advantage of *A Gift From Captain Buscio*.

A lot of things have changed over 20 years and we've worked so hard to keep you being able to take advantage of the latest state-of-the-art equipment in medical care. And that is always changing and we are always working to provide you with the best.

In addition, we have never asked for funds or donations before, but many Firefighters are uninsured, and this program is about family – taking care of family. So, if anyone would like to make donations to the program to take care of those Firefighters – excuse me – who don't have insurance, you're welcome to do that.

If you have any questions about the program, we have a tent outside. The doctors are available to talk to you about the program – sorry – and any questions or concerns you might have.

And I know many of you are very apprehensive about going for testing and afraid of what you might hear, so I want you to look at the bright side and think of the peace of mind you may walk out with and just take care of you.

So, if we can do anything to bring things to you and make it easier for you to cross that line and come and get tested, you just let us know. It's also wonderful to set a good example for your family that you are taking care of yourself as well as your communities.

We are going through some changes with the *Gift From Captain Buscio* because we have so many to tend to and we know that there's a need for another office south of Lakewood and we're working on that now. As you could imagine, many people are having trouble staffing. Everywhere there's "Wanted" signs all over for employment. And, unfortunately, our offices are subject to that as well. So hopefully the next time I see you, we will have an office south of Lakewood for you.

I also would like to applaud your leaders for the excellent work they've done in passing cancer screening and working toward getting cancer screening covered and passed through legislation. That is not an easy feat and we hope that we can assist in that respect in the future.

Thank you, very much. God bless and enjoy this beautiful day.

CONVENTION BODY: (Applause.)

DR. GARCIA: So, guys, I'm not going to keep you guys very, very long, but sometimes in the morning I wake up and I ask myself, "Why do I do this?" And I'm pretty sure every last one of you ask yourselves exactly that same question. You turn around, you look at your phone, and oftentimes your lock screen on your phone tells you why you do this every day.

You know, we often don't consider our loved ones in every last one of our decisions, but just think about that. You know, look at the person to your left and to your right. This is the largest group of individuals that always has each other's back. And if you ever, ever have any doubt as to why you do this, remind yourself why you do it.

You're always trying to take care of your loved ones, you're always trying to take care of complete strangers, but you never ever really focus on taking care of you. That is why we're here. We're here to go ahead and offer you anything that we can. If it's just a bit of advice, if it's just putting you through the torture of the test and putting you guys on the treadmill. Just keep in mind the treadmill is not the hardest test that you do. It's always the breathing test. Okay?

But in all sincerity, life has taken a very, very big turn over the past few years and I've asked myself quite a few times, you know, especially going with, you know, through so much loss in my own personal life and having a lot of friends that have just fallen ill to disease and having plenty of conversations with a lot of you wonderful individuals that have become near and dear to my own heart and sharing stories and helping you and your families, even on a personal level – that's why I do this. You know, that's why I wake up every morning.

So, whenever you have doubt, just remind yourself. Look at your phones. All right. Look at your lock screen, all right, and just remind yourself that this is why you're doing this every day. All right. Continue to be those knuckle-headed individuals that don't come in. All right. Continue to be your wonderful selves, but just continue to be, all right, and we're here to support you in any way that we can.

Thank you.

PRESIDENT ORDWAY: Thank you, Donna. Thank you, Dr. Garcia.

Deborah Hospital was here this morning doing some health screening.

Lewis Clark, who is normally here to speak to us, got called away on an emergency, so he could not be here. And the same with Kathe Conlon from Robert Wood Johnson-Saint Barnabas. She also could not be here today.

Our next speaker is David Horsnall from New Jersey Fire Museum and Fallen Firefighters Memorial.

MR. HORSNALL: Thank you, Mr. President.

I'm here to tell you all the New Jersey Fire Museum and Firemen's Memorial is alive. It's kicking.

I'd like to tell you why, a couple reasons.

One, a name you might know, a few of the older folks, Irv Miller.

When nobody cared about the Museum, when it reached a point that it just existed on paper, Irv Miller didn't stop. He kept it alive. He kept people aware of it and made sure what was going on.

And out of that came a guy named that you'll all know, Bob Burns.

Bob Burns recently passed away, but he served as President from 2009 to 2019.

Bob resurrected a Board of Directors. He kicked and punched in Bob's quiet subtle way and got the job done. I call those two gentlemen, along with a lot of others, keepers of the dream, keepers of the faith.

There was another group that was fundamental in allowing this to grow and continue. We had a transfusion. Actually, you might have called it an infusion.

We had incredible support – maybe a little bit unusual, but incredible support of the bipartisan legislative effort in both the Assembly and in the Senate. So, when you see those folks that represent you, be sure to tell them thanks for their efforts on behalf of the Museum. And that goes along with the administration who signed the necessary bill to provide this infusion of capital.

To prove that it's there, we have already allocated that money for facility improvements, restoration of apparatus. And that is a list of apparatus. If you've seen it and you've been there, we are setting up timelines for those various pieces to be restored and brought back to the condition that they were when many of them came into the hands of Ernie Day more than 45 or 50 years ago.

Additionally, we've begun to clear land where the more permanent and end-all Memorial will be located adjacent to the Museum facility itself.

If you'd like proof of this that it's going on, I want to make sure you know you're all invited to our Open House this year, which is September the 25th from nine o'clock until three o'clock up near Allentown, New Jersey.

You can go online and look at njfiremuseum.org if you haven't ever seen any of that information before.

It's a no-charge opportunity to come and see incredible apparatus, incredible fire memorabilia, and the site and the facility that we're going to be operating out of. There's plenty of activities for the kids, there's food for everyone, and it's no charge.

Thank you, very much.

Please come and see us on the 25th. We look forward to this opportunity to say hi to everybody.

Thank you, Mr. President.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have Immediate Past President William Smith from the New Jersey State Fire Chiefs Association.

PRESIDENT SMITH: Thank you, Mr. President.

Brothers and Sisters, on behalf of the New Jersey State Fire Chiefs Association, I welcome you to the 2022 Convention.

I would like to recognize yesterday our Association sponsored two fantastic lectures with CEUs: Full-Contact Leadership by Deputy Chief Anthony Aвило and Mentoring: Strategic Initiative for Future Success by Battalion Chief Bruce Bjorge.

We will continue to sponsor great classes that will help future leaders of Departments and communities.

Our 2022 scholarship winners are Michaela Madonna of Wall Township and Baily Fearon of Secaucus.

The 2022 Valor Awards were presented to the Lieutenant Victor Papone III, Firefighter Donald Ciecuch, and Firefighter Eric Kosky of Secaucus Fire Department.

We also presented a 2022 Valor Recipient to Lieutenant Joseph Ivanicki of Passaic Fire Department.

The 2022 Unit Citation was awarded to Willingboro Station 161.

Our Association represents hundreds of Career and Volunteer Fire Officers.

As you leave today, stop at our booth to join. In union there is strength. Stay safe, and have a memorable weekend.

Thank you, very much.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Next we have New Jersey State Exempt Firemen's Association President Garrick Miller.

PRESIDENT MILLER: Good morning, Officers, Delegates, Alternates, Life Members and guests. I bring you greetings from the Members of the New Jersey State Exempt Firemen's Association.

Our Members hope that you have a productive and enjoyable Convention.

The New Jersey State Firemen's Association has experienced the same problems that all fire organizations are facing today. We need to find ways to get younger Members interested in taking an active part in our organization. If you are interested in our organization and you do not currently have an Exempt Association or – and is interested in having an Association, please contact any of our Officers or Executive Committee Members.

You can also find this information on our website, www.njsefa.org.

I want to talk about our scholarship program.

Changes have been made to the application and eligibility for the scholarships. This year I'm happy to report that the Exempt Association awarded three scholarships to family members of Firefighters to continue their education. The Exempt Convention in 2023 will be held in Phillipsburg. Information will for the Convention will be on our website and also be sent to your local Association soon. All are welcome to attend.

Have a safe, enjoyable time in Wildwood.

May God bless you, all Emergency Responders and all the members of our Military.

Thank you, and God bless America.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Our next speaker is New Jersey Firemen's Home Chairman, Anthony Grenci.

MR. GRENCI: Thank you, President Ordway.

New Jersey Firemen's Home 121st Annual Report, the Board of Managers, Boonton, New Jersey. But, before I start, we're video-streaming the Guests up at the Home, so a big shout out to them right now and thank you.

CONVENTION BODY: (Applause.)

MR. GRENCI: Good morning, Chiefs, Delegates, Alternates, Life Members, Clergy, Officers of the State Association, invited guests, and fellow Firefighters of the great state of New Jersey and Guests of the Home.

New Jersey Firemen's Home is special only to Firemen of New Jersey. It's unique as being one of its kind in the country.

The mission of the Firemen's Home is to care for our aged, indigent, and disabled Firemen.

For over 25 years, the Board of Managers has provided excellent care of our Firemen in need.

As of June 30, 2022, we had 54 Guests in long-term care, seven in memory care, and five in residential care for a total of 66 Guests in the Firemen's Home. There are three applications approved and have been assigned admission dates. Additionally, there are ten additional applications near the end of review and process.

The Firemen's Home is increasing numbers and nearing filling capacity. Applications are available on our website. Admission process has been streamlined extensively.

Be aware that the Firemen's Home does not reject residents that require dialysis or special conditions. They'll provide transportation for dialysis, special doctor visits, eyeglass appointments, dentists, and any other special needs of the Guests. There is a physical therapist on staff and plans are being approved to modern the physical therapy areas to accommodate all the residents.

The memory care unit of the Home is a state-of-the-art facility. It's a great addition to the Home, and it fills the great need of our Guests.

The Firemen's Home is staffed by a first-class group of individuals, from a hands-on superintendent, director of nursing, to the very best staff to serve our Guests.

The record with the New Jersey Department of Health reflects New Jersey Firemen's Home as among the best nursing facilities in New Jersey.

Due to the excellent care provided – the reputation of the Home – Firefighters return to New Jersey from as far away as Arizona and Texas. Our Brothers and Sister Firefighters are our top priority.

I must give special note, the mark of the 21st anniversary of the 9/11 tragedy. Special prayer and gratitude to all Responders who were involved in any way to assist in care for all the victims.

We should never forget our Heroes from 9/11.

We invite you to come to the Home and meet the staff, visit with all the Guests, and see how the Home operates. We believe it would be worth your while and will please the Guests.

We had a Board meeting held yesterday. The Board of Managers unanimously approved that we have decided that the \$850 fee per month is no longer a requirement and there's no more fee to come into the Home.

In closing, the Board of Managers expresses its sincere thanks and appreciation to all the Fire Companies, Counties, Associations, the Auxiliary, and all the others that donate their time and money to the well-being and happiness of the Guests of the Home.

Enjoy the rest of the Convention; have a safe trip home. God bless you, and God bless America. Thank you.

Independent Auditor's Report

Board of Managers
New Jersey Firemen's Home
565 Lathrop Avenue
Boonton, NJ 07005

Opinion

We have audited the accompanying financial statements of New Jersey Firemen's Home which comprise the statement of assets, liabilities, and fund balance—cash basis as of June 30, 2022 and 2021, and the related statements of support revenue and expenses and changes in fund balance—cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balance—cash basis of New Jersey Firemen's Home as of June 30, 2022 and 2021, and its support revenue and expenses and changes in fund balance for the years then ended, in accordance with the cash basis of accounting as described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Jersey Firemen's Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Jersey Firemen's Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

**NEW JERSEY FIREMEN'S HOME
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 and 2021**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

Nature of Business

The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

Cash and Cash Equivalents

For the purpose of the statements of assets, liabilities and fund balance – cash basis, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

Medical Fund

The medical fund has been established to collect and disburse funds on behalf of the guests. An individual medical account is maintained for each guest in the New Jersey Firemen's Home. The funds are not segregated, and interest earned on such funds is retained by the New Jersey Firemen's Home. The individual accounts are maintained to record the funds collected and disbursed on behalf of the guests.

The primary sources of funds collected on behalf of the guests include: Social Security benefits, pensions and personal remittances from guests or their families. The primary sources of funds disbursed on behalf of the guests include: room and board charges, medical expenses and various personal expenses. Statements are mailed to guests' families/responsible parties on a quarterly basis.

When a receivable has resulted, i.e. more funds disbursed than available, the families/responsible parties are requested to remit such.

Upon admission, guests are requested to grant the New Jersey Firemen's Home a limited power of attorney to execute the aforementioned transactions. Upon the expiration or discharge of a guest, any remaining balance is returned to the guest or the guest's estate after all anticipated expenses have been paid. Such release of funds is approved by the Board of Managers. Should a deceased guest have a balance in excess of \$500 upon death, a statement which lists the executor is required from the local county surrogate.

Fixed Assets

Fixed assets are maintained in the Property Fund. Asset acquisitions with a cost of \$1,000 or more have been capitalized. Depreciation is computed on a straight line basis over the useful lives of the assets generally as follows:

Buildings and Improvements	10-50 years
Furniture and Equipment	5-10 years
Vehicles	5 years

NEW JERSEY FIREMEN'S HOME
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2022 and 2021

NOTE 1 (Continued)

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as paid.

Estimates

Management uses estimates and assumptions in preparing the financial statements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

Income Taxes

The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

Subsequent Events

Subsequent events have been evaluated through August 30, 2022 and August 26, 2021, which are the dates the financial statements were issued.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Jersey Firemen's Home internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Jersey Firemen's Home ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Independent Auditor's Report

Trustees
New Jersey Firemen's Home
Employees' Pension Plan
565 Lathrop Avenue
Boonton, NJ 07005

Opinion

We have audited the accompanying financial statements of the New Jersey Firemen's Home Employees' Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of accumulated plan benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended June 30, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of the New Jersey Firemen's Home Employees' Pension Plan as of June 30, 2022 and 2021, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the year ended June 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the New Jersey Firemen's Home Employees' Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey Firemen's Home Employees' Pension Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New Jersey Firemen's Home Employees' Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey Firemen's Home Employees' Pension Plan's ability to continue as a going concern for a reasonable period of time.

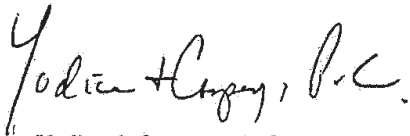

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year end) and (Acquired and Disposed of Within a Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: Description of Plan

The following brief description of the New Jersey Firemen's Home Employees' Pension Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined benefit pension. All non-union employees entered the plan on the July 1st nearest later of the last day of their first year of service and age 21. Effective July 1, 1998, only those employees who completed at least 1,000 hours of service in a plan year accrued pension benefits. Effective July 1, 1999, members of the Board of Managers are credited with 83 1/3 hours for each month they serve on the Board. Effective July 1, 2000, all staff employees are covered under the New Jersey Public Employees Retirement System and will not accrue any further benefits under this Plan.

Pension Protection Act of 2006

The Pension Protection Act of 2006 (PPA) was signed into law on August 17, 2006 and is generally effective for Plan Years beginning after 2007. PPA amended the Employee Retirement Income Security Act of 1974 (ERISA) under which increased responsibility had been placed on the Plan's Enrolled Actuary and the selection of the actuarial assumptions. In an attempt to strengthen the financial stability of all defined benefit plans, PPA substantially changed the way funding requirements are determined. The Worker, Retiree and Employer Recovery Act of 2008, which was signed into law on December 23, 2008, included technical corrections to PPA. The Moving Ahead for Progress in the 21st Century Act (MAP-21) was signed into law on July 6, 2012. The Highway and Transportation Funding Act of 2014 (HATFA) was signed into law on August 8, 2014. MAP-21 and HATFA contained Pension Funding Relief provisions.

The actuarial cost method (funding method) to be used to determine the Minimum Required Contribution under PPA is an unprojected unit credit cost method.

PPA prescribes the use of segment interest rates for determining the present value of benefits. These segment rates are based on the corporate bond yield curve for certain investment grade bonds that mature at three different times (less than 5 years, between 5 and 20 years, and after 20 years). Alternatively, a full yield curve can be used, if elected. PPA added the calculation of an Effective Rate which is the equivalent single rate that will produce the same accrued liability (the Funding Target) as the segment rates used for funding. PPA further prescribes the use of specific mortality tables which will be published periodically by the Secretary of the Treasury.

MAP-21 changed the method of calculating the segment interest rates resulting in a reduction in Plan liabilities and minimum required contribution. Beginning with the 2008 actuarial valuation, the prescribed assumptions will be reflected, where applicable, and revised each year.

The balance of the actuarial assumptions will continue to reasonably reflect the Plan's experience. As part of the annual report to the Internal Revenue Service, the Plan's Enrolled Actuary must prepare an "actuarial statement" which includes an opinion that these nonprescribed actuarial assumptions reasonably reflect the Plan's experience and expectations and represent the "best estimate" of anticipated experience under the Plan. No changes, other than those prescribed by law, are required at this time.

NOTE 1 (Continued)

Pension Benefits

Participants with three or more years of participation were previously entitled to annual pension benefits beginning at normal retirement age (65) equal to \$16.67 multiplied by benefit years, not to exceed 30 benefit years, to a maximum of \$500 per month and a minimum of \$100 provided they had 10 or more benefit years. Effective July 1, 2002, a participant's normal pension benefit shall provide a monthly payment equal to \$83.33 multiplied by his benefit years up to, but not exceeding 10 benefit years, to a maximum of \$833.33. The Plan permits early retirement at age 55 with a minimum of 10 years of service. Participants may elect to receive their pension benefits in the form of a joint and survivor annuity. If participants terminate before rendering 5 years of service, they forfeit the right to receive the portion of their accumulated plan benefits. Effective July 1, 2005, normal retirement date has been amended to be the first of the month after the age 62 (from 65) and the later completion of three years of plan participation.

Death Benefits

If a participant dies before benefits commence, but after the interest in the Accrued Benefit has become vested to some extent, his/her Spouse shall receive the survivor annuity benefit which would have been payable if the participant had elected to receive the Standard Annuity commencing the day before death, or, if the participant had not yet reached the earliest retirement age under the Plan, the benefit which would have been payable based on the actual Accrued Benefit but assuming that the participant had survived to the earliest retirement age under the Plan, had elected to receive the Standard Annuity, and had died on the following day, subject to the same actuarial reduction normally applicable on account of the commencement of benefits before the Normal Retirement Date. The Administrator may pay the Spouse, in lieu of monthly payments, a lump sum which is the Actuarial Equivalent of the survivor annuity, provided the lump sum is less than \$5,000.

If the participant dies before benefits commence while in active service, but after Normal Retirement Date, the Spouse, if any, shall receive the survivor annuity benefit which would have been payable assuming that the participant had elected to receive the Standard Annuity, and had died on the following day.

If the participant dies after benefits commence, any remaining benefits under the Standard Annuity or the alternative benefit form, if any, that was elected shall be paid to the Spouse or other Beneficiary, as the case may be.

Disability Benefits

If Service is terminated by Disability, the participant shall be eligible to receive a Disability Pension Benefit. The Disability Pension Benefit shall provide monthly payments of an amount such that the benefit is the Actuarial Equivalent of the Accrued Benefit at termination. If the participant is disabled, he/she may not elect to receive an alternative form of benefit other than the Standard Annuity. Disability Pension Benefits shall begin on the first day of the month following the fifth full calendar month of Disability, and shall end only if Disability ends before the Normal Retirement date. A participant will not be considered disabled unless he/she qualifies for disability benefits under the Federal Social Security Act or Veterans Disability Act.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodian. See note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the plan's provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. Effective July 1, 2002, benefits under the plan are based on participants' benefit years multiplied by \$83.33 per year not to exceed \$833.33 per month. The benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to participant service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an actuary from BPAS Actuarial and Pension Services, LLC, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuations as of July 1, 2022 and July 1, 2021 were life expectancy of participants. The base mortality tables for July 1, 2022 and July 1, 2021 are the sex distinct RP-2014 mortality tables for healthy annuitants adjusted backwards to 2006 with Scale MP-2014. The base mortality table is adjusted by projecting mortality improvements using Scale MP-2017 from the year 2006 through 2019 with an additional projection period of 8 years for males and 9 years for females. For ages below 80, the additional projection period is increased by one year for each year below 80; for ages above 80; the additional projection period is reduced (but not below zero) by one third year for each year above 80.

The interest rate used to discount the obligation for July 1, 2022 and July 1, 2021 was 7%, including a reduction of 0% to reflect anticipated administrative expenses associated with providing benefits.

**NEW JERSEY FIREMEN'S HOME
EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 and 2021**

NOTE 2 (Continued)

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as July 1, 2022 and July 1, 2021. Had the valuations been performed as of June 30, there would be no material differences.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events have been evaluated through August 30, 2022, which is the date the financial statements were issued.

NOTE 3: FUNDING POLICY

The New Jersey Firemen's Home's funding policy is to make annual contributions to the Plan in amounts that are usually within the minimum required contribution and maximum recommended contribution as computed by BPAS Actuarial and Pension Services, LLC. The minimum required contributions were \$95,259 and \$104,078 for years beginning July 1, 2021 and 2020. The Finance Committee of the Plan sponsor elected to contribute \$21,008 and \$120,000 in plan years ended June 30, 2022 and 2021.

NOTE 4: PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- Benefits former participants or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable or would have been payable under plan provisions in effect at any time during the five years preceding Plan termination.
- Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) up to the applicable limitations (discussed below).
- All other vested benefits (that is, vested benefits not insured by the PBGC).
- All nonvested benefits.

**NEW JERSEY FIREMEN'S HOME
EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 and 2021**

NOTE 4 (Continued)

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination. However, there is a statutory ceiling on the amount of an individual's monthly benefit that the PBGC guarantees. That ceiling applies to those pensioners who elect to receive their benefits in the form of a single-life annuity and are at least 65 years old at the time of retirement or plan termination (whichever comes later). For younger annuitants or for those who elect to receive their benefits in some form more valuable than a single-life annuity, the corresponding ceilings are actuarially adjusted downward.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits and may also depend on the level of benefits guaranteed by the PBGC.

NOTE 5: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit.

NOTE 5 (Continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs other than quoted market prices included in Level 1 that are either directly or indirectly observable for the asset, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of certificates of deposit, mutual funds, money market funds, US Government Securities and preferred stocks is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of corporate bonds is based on quoted prices for similar assets in active markets.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however are expected to have material adverse impacts on domestic and foreign economies.

As the result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

NOTE 7: TAX STATUS

The plan obtained its latest determination letter on September 28, 2018, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code (IRC). The Plan has not been amended since receiving the determination letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: ADMINISTRATIVE EXPENSES/RELATED PARTY TRANSACTIONS

Certain administrative expenses of the Plan are paid by the Operating Fund of the New Jersey Firemen's Home. For plan years ended June 30, 2022 and 2021 those expenses, consisting primarily of fees paid to actuaries and auditors, were \$40,091 and \$21,601, respectively. Those expenses are excluded from these financial statements. Certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

2022 Secretary's Report

First and Foremost, I would like to thank the Officers, Office Staff and you the members of this Great Association for your help, assistance and encouragement in making this job easier and more efficient.

During the past year, the officers and staff worked diligently to streamline our and to make things easier for the local associations. We continue to improve our website by digitizing and simplifying many of our forms.

I am happy to report that processed 1320 applications for membership. We also had 329 members attain Life Member Status and 760 members received their Qualification last year.

In would like to remind everyone that our office stands ready to answer any questions that our members may have. Our office phone number and email addresses are located on our website www.njsfa.com .

In closing I would like to say that it has been an honor to serve all our members
And I hope you have the confidence in me to continue to serve you in the future.

Respectfully submitted,

Thomas J. Pelaia
Secretary

PRESIDENT ORDWAY: Now my report.

Most of my report is already in the newspaper that was given out at all the motels and so forth and also attached to the packet of information you received at the caucuses, but there are some items I think need to be restated because they are important.

We have three programs right now to benefit our Brother and Sister Firefighters and their families.

The first benefit is the Burial Benefit. Up to \$12,000 to go to your family to help with the expenses should you pass away.

Relief. We have three levels of relief: local, special, and supplemental. The combined local and special is now \$9,000 statewide, an up-to amount, if you have the need. Supplemental is four times your local level. The local level is determined by whatever your balance was at December 31st of the prior year.

Healthcare. Eligible Firefighters can receive healthcare from a licensed caregiver working for a licensed firm, whether it be home care bringing someone in, adult daycare where you need to be dropped off because your family needs to go shopping or do anything and you can't be left alone, or assisted living, the care portion. Not the rent, but the care portion. And you will be reimbursed or your family will be reimbursed up to \$6,000 a month for those types of care.

Spouses. For eligible spouses of current Firefighters or past Firefighters who are qualified at the time they left the service or passed away, spouses are eligible for \$2,000 towards healthcare and the same Relief Benefits that I mentioned earlier for Firefighters.

The other portion of the healthcare is now a long-term healthcare facility.

If you need to go into a long-term healthcare facility and for whatever reason the Firemen's Home is not a good fit for you or your family, we will reimburse you up to \$12,000 a month towards that care. Again, it is for qualified Firefighters. Current Firefighters.

This is especially true, and you need to get your Local Associations to contact your older former Members, perhaps their surviving spouses, to see if they're eligible and need this care.

In a lot of cases, we hear after the fact that a spouse passed away many years after the Firefighter and no one kept in touch with her and she could have used help or he could have used help in some fashion, but nobody ever kept in touch.

Please contact your former Members, their spouses, to see if there's a need.

In 2019 we reduced the percentage calculation used to determine qualifying status to 25 percent and that almost doubled the amount being qualified every year.

We increased the allowable age for joining our Association to age 57. Those can join 57 and below now.

We are up to date in conducting our field exams and the Field Examiner will be in touch with those Associations that will be conducted next year so you can get yourself ready.

And, again, for the field exams, the forms we use to conduct the exams are right on our website so you can look at them. We give you the cheat sheets right up front so you can get your books together and get everything ready.

In closing, I want to thank our outstanding Office administrative staff: Jennifer, Beth, Britney, Denise. If you want to get something done right, talk to those four persons and not the Officers. We're sure to screw things up, but those four ladies get everything done right. So, when you need something from the Office, talk to them first and maybe you'll get the answers you need rather than trying to trust the Officers. They're tremendous.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: But I do want to thank the State Officers, all Members of the Executive Committee, and especially the Local Relief Officers.

This year we only had three Associations not seated, and that's due to your Local Officers getting the paperwork done. So, when you have your next Relief meeting, thank the Secretary and Treasurers out there who got it done because they are fantastic. They make our jobs so much easier.

Please remember to keep in your prayers our sick and departed Brother and Sister Firefighters, their family members, and the members of our Armed Forces stationed around the world and all of our Police, Fire, and EMS First Responders.

Thank you, and God bless America.

Secretary Pelaia, would you read the names for the candidates for tomorrow?

SECRETARY PELAIA: The following candidates for Office submitted their petitions by June 1, 2022, per the compendium:

President	Robert F. Ordway
Vice President	Joseph T. Hankins
Treasurer	Edward R. Mullen
Secretary	Thomas J. Pelaia
First Assistant Secretary	Brian E. Martone
Second Assistant Secretary	Richard K. Dreby

PRESIDENT ORDWAY: I'll ask now if any of the candidates want to speak.

Vice president?

Secretary?

First Assistant?

Second Assistant?

Treasurer?

I will say on behalf of all six candidates, I hope the reason that other people are not running is because you feel we're doing a good job and we really ask for your support tomorrow during the voting, so thank you for that.

Committee reports.

We already had the Registration Committee give the numbers.

Advisory Committee, Ed Mullen.

TREASURER MULLEN: To the Delegates and fellow Life Members, the Advisory Committee Report will be made part of the record here and distributed to all Local Associations and will also be available on our website for review.

In summary, this past fiscal year our State Association paid 1,059 Burial Claims totaling \$12,197,692.20.

Respectfully submitted.

PRESIDENT ORDWAY: Finance Committee Chairman, Robert Kepler, Jr.

CHAIRMAN KEPLER: Thank you, Mr. President.

Good morning, Executive Board, Delegates, Life Members, and invited guests. I have here the Financial Report for the year of 2022.

In the course of our duties this past year, the Finance Committee of the Association had met four times at the Wall Township office. Each time has conducted an in-depth review and audit of the Association's accounts. These meetings were held on November 1st of 2021, February 7th of this year, June 13th of this year, and August 1st.

In the course of these audits, Treasurer Mullen was available to provide explanatory assistance to the satisfaction of the C

ommittee when and if needed.

The review covered the reconciliation of all checks, vouchers, ledger entries, and bank statements for the General Fund, Burial Fund, Pension, General Checking, Assessment, and Special Relief accounts. The Association income documents, bank statements, and credit and debit documents. All accounts were found to be accurate and in satisfactory condition.

No recommendation for change were made at the conclusion of these audits and this report.

I would like to acknowledge and thank the Members of the Committee, Ed Pettit, Jr., and Jay Delesandro, and I would like to thank the State Officers and especially Ed Mullen for their outstanding support given throughout the year.

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Legislative Committee, Secretary Brian Martone.

FIRST ASSISTANT SECRETARY MARTONE: The official report was submitted to be in the Red Book.

I just want to add some comments.

I want to thank the Legislative Committee or the Members for their assistance and time they dedicate to the Committee.

And the only correction to my report is as of yesterday the Governor signed the one bill, A4127, which is the cancer screening for Career Firefighters not enrolled in the State Health Benefits.

Thank you.

Independent Auditors' Report

**Executive Board
New Jersey State Firemen's Association**

Opinion

We have audited the accompanying financial statements (modified cash basis) of the New Jersey State Firemen's Association (the "Association") which comprise the statements of assets, liabilities and net assets (modified cash basis) as of June 30, 2022 and 2021 and the related statements of revenue, expenses and change in net assets (modified cash basis) and functional expenses (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the Association as of June 30, 2022 and 2021, and its revenues and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

New Jersey State Firemen's Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2022 and 2021

1. Organization and Tax Status

New Jersey State Firemen's Association (the "Association") is a not-for-profit corporation that was established through New Jersey State legislation. Its expressed purpose is to maintain a General Relief Fund that provides burial benefits to qualifying members. The Special Relief Fund was initiated to allow relief to be paid to those applicants of associations that cannot afford to satisfy the needs of an applicant when a major loss occurs due to illness or other incidents. The initial contribution of \$2,468,467 was made May 15, 2003. Benefits were made available beginning January 1, 2004.

The Association is a not-for-profit organization that is exempt from income taxes under Section 501(c)4 of the Internal Revenue Code (the "Code").

2. Summary of Significant Accounting Policies***Basis of Accounting and Use of Estimates***

The financial statements are prepared on the cash basis, modified for investments, which are stated at cost, and certain assets and liabilities related to insurance claims. In addition, the Association is capitalizing all costs related to its new building and is subsequently depreciating these costs. Consequently, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when the obligations are incurred. Management has determined that the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP"), as described above is an acceptable basis for the preparation of the financial statements in the circumstances.

Net Asset Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Association's net assets are classified as with or without donor restrictions. At June 30, 2022 and 2021, all the Association's net assets are without donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents include cash held in banks and money market funds with maturities of three months or less at the time of purchase.

Cash Held for Affiliates

Cash held for affiliates represent cash held by the Association for local associations.

2. Summary of Significant Accounting Policies (continued)***Investments***

Purchases and sales of investments are recorded on a settlement date basis. Realized gains and losses on investments are calculated based on the average cost method for mutual funds and first-in, first-out method for all other securities, and are reflected in the statements of revenue, expenses and change in net assets. Dividend income and interest income are recorded when received.

Property and Equipment

Property and equipment is carried at cost. Depreciation is computed using the straight-line method over the estimated useful life of the assets when placed into service. The Association uses a useful life of 39 years for the building, 7 years for furniture and 5 years for equipment.

Revenue Recognition***Insurance companies' tax***

The Association receives a 2% levy on all fire insurance premiums from various insurance companies not domiciled in New Jersey. In addition, the Association receives a 3% surplus line on a quarterly basis from the Producers and Agents, who are in charge of the insurance policies. These monies when received are distributed to New Jersey Boroughs/Townships that have local relief associations. The Association will then retain the remainder of the premium after disbursement is completed. These monies are recognized as revenue when received and are recorded as revenue without donor restrictions.

State of New Jersey (999 Account)

The Association will at times receive a 2% premium that cannot be directly correlated to a specific Borough or Township. This money is dedicated by the Association to the New Jersey Firemen's Home for their annual operating expenditures. Any remaining amount not required for the New Jersey Firemen's Home remains in the Association's general fund. These amounts are recognized as revenue when received and is recorded as revenue without donor restrictions.

Functional Allocation of Expenses

The cost of providing various programs and other activities had been summarized on a functional basis in the statements of revenue, expenses and change in net assets. All costs are direct expenses to each functional category. Program services consist of benefit payments. All other expenses are considered management and general and unallocated payments to affiliated organizations.

2. Summary of Significant Accounting Policies (continued)

Concentration of Credit Risk

Financial instruments that potentially subject the Association to significant concentrations of credit risk consist principally of cash and investments. The Association maintains its cash and cash equivalents at financial institutions which at times during the year may exceed federally insured limits. The Association has not experienced any losses on its deposits. Investments are managed by a professional investment management firm and are monitored by the Executive Board and an investment advisor engaged by the Association.

Accounting for Uncertainty in Income Taxes

The Association recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Association had no uncertain tax positions that would require financial recognition or disclosure. The Association is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to fiscal 2019.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that financial statements were available to be issued, which date is October 25, 2022.

3. Investments

Investments are carried at cost regardless of fair value at the end of the year. Gains and losses on investments are recorded upon disposition of the investment rather than providing for such gains and losses as they occur.

Independent Auditors' Report

The Plan Administrator and Participants of New Jersey State Firemen's Association Employees' Retirement Plan

Opinion

We have audited the accompanying financial statements of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the New Jersey State Firemen's Association Employees' Retirement Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the New Jersey State Firemen's Association Employees' Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey State Firemen's Association Employees' Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New Jersey State Firemen's Association Employees' Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey State Firemen's Association Employees' Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

December 31, 2021 and 2020

1. Plan Description

The following brief description of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan is a defined benefit pension plan.

The Plan is administered by the New Jersey State Firemen's Association (the "Association"). The Custodian of the Plan is U.S. Bank Institutional Trust and Custody ("U.S. Bank"). The Association has appointed U.S. Bank to hold investment assets and perform most administrative duties.

Pension Benefits

Employees are eligible for participation in the Plan after attaining age 21 and completing one year of service. Participants become fully vested in the Plan after 5 years of service. However, 10 years of service is required for early retirement benefits.

Benefits for participants retiring upon reaching the normal retirement age of 65 are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. The Plan also provides a cost of living adjustment.

An employee may elect early retirement after having reached age 55 and having completed 10 years of service. Benefits upon election of early retirement are reduced for each month by which the retirement date precedes age 65.

The normal form of benefit payment is a life annuity with 10 years certain for single employees and a joint and survivorship annuity basis for married employees. Several other options in the method of benefit payment are also available.

Participants who have attained the age of 70½ and are still working must commence collection of their pension benefits. In addition, participants will be able to accrue benefits for service beyond the age of 65.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The Plan is not required to make certain Department of Labor required disclosures as the number of eligible participants is less than 100.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements and changes therein. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Fair value of investments in shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Gains or losses on sales of investments are based on the average cost of investments. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well held during the year.

Accumulated Plan Benefits

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions for services rendered by the employees at the valuation date. Accumulated plan benefits include benefits expected to be paid to present employees or their beneficiaries. Benefits for retired or terminated employees or their beneficiaries are based on Plan provisions at the time of retirement.

Administrative and Investment Expense

Administrative and investment expenses are paid by the Plan. Investment expenses are included in net appreciation (depreciation) in fair value of investments.

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefit payments are recorded upon distribution.

Risks and Uncertainties

The assets of the Plan are primarily financial instruments which are monetary in nature. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect the changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

Concentration of Credit Risk

The Plan maintains its cash and cash equivalents including certificates of deposit at financial institutions which at times during the year may exceed federally insured limits. The Plan has not experienced any losses on its deposits.

At December 31, 2021 and 2020, one diversified fixed income mutual fund, affiliated with the Custodian, represented 100% of the Plan's investment portfolio.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 22, 2022.

**New Jersey State Firemen's Association
Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2021 and 2020

3. Certificates of Deposit

Certificates of deposit are stated at cost plus any accrued interest (which approximates fair value). The certificates of deposit at December 31, 2021, bear interest ranging from .15% to 1.00% and mature at various dates from June 2024 through June 2025.

4. Investments

As of and for the years ended December 31, 2021 and 2020 all of the Plan's investments, which consists of one diversified mutual fund, bought, sold and held was a Level 1 investment.

5. Actuarial Information

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions for the service employees have rendered. They include benefits expected to be paid for (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. The accumulated plan benefits for active employees are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. Benefits payable under all circumstances including retirement, death, disability and termination of employment are included to the extent they are deemed attributable to employee services rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of December 31, 2021 and 2020 were (a) life expectancy of participants (the mortality table RP2021 for 2021 and RP2020 for 2020), (b) an assumed retirement of the earlier of age 55 and 10 years of service or age 65 and five years of service and (c) an assumed average rate of return of 3.00% for 2021 and 2020.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Actuarial Present Value at the End of the Year	<u>\$ 9,102,782</u>	<u>\$ 10,125,808</u>

6. Funding Policy

The Association's policy is to fund the Plan annually at the minimum level required under the Employee Retirement Income Security Act of 1974 ("ERISA") regulations as computed by an independent actuary.

7. Income Tax Status

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 30, 2018, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**New Jersey State Firemen's Association
Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2021 and 2020

7. Income Tax Status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2018; however, there are currently no examinations for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Association has the right to terminate, discontinue making contributions to, amend or modify the Plan at any time, acting through written resolution of the controlling entity of the Plan. Upon termination of the Plan, participants will become fully vested in their benefits earned to date.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency at that time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the Plan sponsor and the level of benefits guaranteed by the PBGC.

PRESIDENT ORDWAY: Thank you, Ed.

That brings us to unfinished business.

Is there any unfinished business to come before this group?

TREASURER MULLEN: There is.

PRESIDENT ORDWAY: Sensing none, we will move on to new business.

Is there any new business to come before this group? We have Microphone No. 5.

Microphone 5? Six, I mean. I'm sorry. Six.

MR. CORBIN: Thank you, very much. Actually, this relates more to unfinished business. I'll keep this – all right. We got to get real close here.

Okay. So, I'll keep this short, but it won't be sweet. Okay?

The reason I stand before you – I'm Glenn Corbett from Waldwick. Bergen County.

The reason I'm here standing today before you is to talk about what happened here last year.

You all remember what happened with the resolution dealing with the Board of Managers. We voted overwhelmingly 77 percent. If you look up in Webster's dictionary what a "landslide election" is, that's 77 percent.

And what happened after that?

Well, you also remember that in the intervening months from the fall into the winter that two bills from Assemblyman Burzichelli tried to turn this whole organization upside down. Basically, would have screwed up our finances forevermore. And so, thank God that life grenade was basically removed when the actual legislature ended early this winter.

So here I am today to respond to what happened or what didn't happen.

We did not get an abolishment of the Board of Managers for all the shenanigans that they pulled over the last few years. We also didn't get any changes. We ended up with a – effectively a kumbaya moment between the two groups – the State Association and the Board of Managers convened State Senator Bucco – and so there's a lot of un – undone work that needs to be finished here. And the one specific thing that he could do for us, because he refused to move the abolishment through, is to change the state statute specifically to put this State Association in charge of, along with the Governor, the budget from the Firemen's Home, and he can do that very easily.

So, what I'm asking everybody here today to support changes to Title 30, Chapter 7, Section 10 to include this organization as a review authority over the State Firemen's Home up in Boonton.

So, I ask you all if you'd join me in calling on Senator Bucco, who is not here today, but through our President and through the Association, to tell Bucco, "Get it done. Bucco, get it done. Get it done. Get it done. Get it done, Bucco. Get it done."

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: Thank you, Glenn.

Microphone No. 1.

MR. PADDY: Vincent Paddy, Hillsboro League Association 528.

I just want to let everyone know that there's a Boy Scout outside right now who is working on an Eagle Scout project for a Fallen Firefighter, William Shaffer, who died in a Line-of-Duty death on July 14th, so I'd ask that everyone, when you leave, to please consider donating to his Memorial Fund.

Thank you.

PRESIDENT ORDWAY: Thank you.

I believe Microphone No. 4 was lit. Microphone 4 in the center towards the back. The light's on? Is the microphone working?

All right. We'll come back to Microphone 4. Microphone 5.

MR. MECSEY: Mr. President, we got some news.

I'm Joe Mecsey, Greenwich Township Police Association.

PRESIDENT ORDWAY: Speak into the microphone.

MR. MECSEY: Warren County's Legislative Committeeman. And we need to recognize Konrad Mellert. He let us know that this is his last year as our Executive Committeeman.

He became our Executive Committeeman for the county in 1981 for over 40 years of service to our county as Executive Committeeman. I mean, we need to recognize him and his service to this organization.

Thank you.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: For those that did not hear that, Konrad Mellert has been the Executive Committeeman for Warren County for 40 years and had finally announced that he is not running for reelection to finally give someone else a chance to step up because no one would ever run against him, so we thank Konrad. He will be here for another year, so he's not going anywhere yet.

CONVENTION BODY: (Applause.)

PRESIDENT ORDWAY: And Konrad will also be celebrating his 90th birthday next month.

Now we will try Microphone No. 5 again. Four, I mean. Microphone 4.

MR. EGGERT: Hello. My name is Lee Eggert from the Tuckerton Fire Department.

I just want to let people know what's going on with our Department. Many know we were closed down.

A fellow named Don Nelson from doing fire the safety – someone in our Borough claiming our Fire Department was unsafe.

There are many things in there that we don't feel are factual. A lot of opinions.

My name was mentioned in there as being a past Chief. Claimed a lot of us weren't certified. As far as I was concerned, I've been certified for all these years.

The certificates they sent back were the same certificates I had years ago. Okay? So, our town closed the Fire Company down based on this letter from Don Nelson claiming we're unsafe.

Tuckerton is less safe now because – longer response times, less of a turnout. Things like that. We did nothing wrong. Okay?

Then a letter came down to my son, the Chief, from Kent Neiswender, that he was decertified. Okay?

Now, I'm going to read what our attorney put. We filed an appeal. The State Division of Fire Safety held on the appeal for two weeks as of Wednesday.

“The documented facts contradict the allegations made and do not give rise to find Mr. Eggert was grossly negligent or engaged in any type of misconduct in the performance of his duties.”

Then a notice went out to many people in Emergency Services from Bruce Tynan that he was decertified and all the things he was decertified from. He can't be an active Firefighter.

And then – I don't know how many people – anybody hear about of decertification Dale Eggert of Tuckerton? Okay?

Now an email came out from Marylain Kemp to Bruce Tinnan to please have your staff recall the email. If they cannot just send an email out to everyone that received this information that was released in error immediately.

So, we have a problem here.

Mr. McKulski claimed responsibility for this letter from Tinnan that went out to people all over the state. We're getting many –

I'd like to thank people that contacted us, the support for our Fire Department and the Chief, and we appreciate it. We'll let you know what's going on, and this thing needs to be straightened out. Tuckerton is less safe now than it was before the Division of Fire and Safety came out with all their paperwork.

And, again, I would also, in closing, like to wish happy birthday to George Heflich, our Past President. Today's his birthday.

Thank you, very much.

PRESIDENT ORDWAY: Thank you, Mr. Eggert.

I don't see anybody else at the mics, so then we will move on to the Benediction.

CHAPLAIN SCHAFER: Are you ready to have a great time? Let's stand up.

PRESIDENT ORDWAY: Could you please be respectful and wait until Benediction is over before leaving?

CHAPLAIN SCHAFER: All right. Thank God for a beautiful weekend.

Almighty God, we thank You for this time to be together. We thank You for giving us a great weekend. And we pray mostly now that You watch over Your people, watch over Your servants. May we have a great time. May everybody be safe and get home safe. We pray in Your Holy Name.

Amen. Hallelujah. Have a good weekend.

PRESIDENT ORDWAY: With no further business, I declare this Session closed with voting elections to be held tomorrow morning.

Have a safe night. See you tomorrow.

and Memorial Service concluded at 11:34 a.m.)*
