PRESIDENT ORDWAY: Good morning. Chiefs, Delegates, Alternates, Life Members, and guests, I call the 147th Convention of the New Jersey State Firemen's Association to order.

The exits are to my right and left and in the rear to your right and left. Should there be a need to use them, please take directions from the dais.

Please shut off all pagers or cell phones or place them on vibrate. Anyone who is hearing impaired can pick up a hearing device in the hall.

Again, everyone needs to be seated. That back corner, the back aisle, they need to take seats.

At this time, we will begin our Memorial Service. Will the Bergen County Firefighters Pipe Band please lead the Wildwood Honor Guard in for the posting of Colors for our Memorial Service.

(Colors are presented.)

PRESIDENT ORDWAY: Please remain standing for the Invocation, Pledge of Allegiance, and the singing of our National Anthem.

CHAPLAIN ANTHONY SARANCHAK: Let us pray. As we gather to honor our Members, those who have answered their last call, we come together with prayer, song, and reflection. Let us come with minds and souls to remember God has a unique and special plan for each of us.

Every life has a blessed set of gifts, events, and connections with others. Let us remember the special gifts of those who have served before us and continue their dedication, service, and faithfulness.

And bless God to use what we have learned and combine that with unique skills we each have to serve others and be open to the path of life You have designed for each of us.

May we be stronger and more blessed each day by remembering and honoring our fellow Firefighters no longer with us on this earth.

God our Father, hear our prayers, this day and every day. Amen.

("Pledge of Allegiance" led by Vice President Hankins.)

("National Anthem" sung by Glenn Roemmich.)

CONVENTION BODY: (Round of applause.)

(CHAIRMAN LYNCH reads as follows:)

MEMORIAL COMMITTEE REPORT
2024 CONVENTION

TO THE OFFICERS AND MEMBERS OF THE NEW JERSEY STATE FIREMEN'S ASSOCIATION
AT THE CONVENTION ASSEMBLED, WILDWOOD, NEW JERSEY, SEPTEMBER 13TH AND
14TH, 2024.

With the passing of time each year, it is with solemnity that the Memorial committee renders this report.

The Great Chief of us all, in his infinite wisdom has called 884 from our midst, and we pray that they
rest in peace.

As we remember them, let us call to mind those who have served this Association with honor.

Firemen's Prayer

When I am called to duty, God
Wherever flames may rage
Give me strength to save a life
Whatever be its age.

Let me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert
And hear the weakest shout,
And quickly and efficiently
To put the fire out.

I want to fill my calling
To give the best in me,
To guard my friend and neighbor
and protect their property.

And, if, according to your will
I have to lose my life,
Please bless, with your protecting hand,
My family.

(“Amazing Grace” played by bagpipers.)

CHAPLAIN DANIEL SCHAFER: You may be seated.

When I looked over the list of those in the Line of Duty that we've lost this year, what would they say if they were here today? What do you think that they might say?

“No regret.” “Just keep on.” “Never give up.” And that's the calling that every one of you took a vow and allegiance to.

And as I was thinking about those who paid the ultimate price, I was thinking about lessons that I have learned, and I wanted to share some of the lessons I have learned, because we know that we're all going that way, the valley of the shadow of death.

So, I made a couple of references to lessons, and some may apply to you, some may not.

Our greatest return comes when you pour it into others. What do you know that others need to know? What have you learned from life? What do you have that others wish they had?

It all involves meaning and purpose. Life is worthless without purpose. We all need a purpose.

You can teach what you know, but you can only reproduce who you are. You try to build self-esteem on your own. And you fail. Why? You must first have it in order to build upon it. Proverbs in the 23rd Chapter says, “Or as a man thinketh in his heart, so is he.”

Your mind is connected to your heart, and nobody deals with mind and heart issues like you warriors out there.

I have a saying that I've always tried to encourage those that I work with in Fire Service. “I am, I can, I will.”

Will you say it with me? “I can.” Come on. “I can.”

CONVENTION BODY: (Response, “I can.”)

CHAPLAIN DANIEL SCHAFER: And “I will.”

CONVENTION BODY: (Response, “I will.”)

CHAPLAIN DANIEL SCHAFER: That's the hope that we have to move on in our lives and face the days ahead.

If someone wanted to destroy your future, they would attack you for yourself.

If you can't say “I am,” you can't say “I can.” So, if you don't believe you can, then accept the fact in the mandate that where you are is where God has called you to be, and it's a special calling. It's a special guidance.

So, we do it with others because it's within our reach. Sometimes it's not enough and we go home broken, disappointed that it didn't work, but that's the way life is.

If life pulls you back, it's preparing you to propel you forward to what's next. You never know what a day holds as a First Responder.

Great impact comes with great pain. It doesn't matter where you start, it matters where you finish. Never look back, never look back.

Always tell others where you started, because they will embrace who you are, but not understand what you went through to be who you are, and only if you've lived with a First Responder, a Firefighter, do you know what that life is like.

Your stuff is your destiny and your identity. So, if you can define me by my stuff, you could incarcerate me and cause me to withdraw within myself and not fulfill our calling.

Understanding who you are and why you are here, it gives you direction in where we go next. We all have limits. We have limits, so that's why we have chaplains. We're here to help you to cross the border from the heartache and the sadness and the loss that come from the work you do.

We must fund for the future. Things in life that we pass ahead, it's hard to leave them behind, it's hard to forget.

Are your plans for your future in the right or the wrong place thinking about others? Never allow anything to kill your future.

And I'm just about finished. I could probably write a book on the things that we have been through.

Stop trying to change people's minds about you and what they think about you. It's what you think about yourself. And that's another scripture from Proverbs: "So he thinketh in his heart, so is he."

Don't let anybody get into your heart. Don't let anybody get into your mind. We are each individuals. We are powerful in our work; we are powerful in our service.

If they don't talk about you, they haven't noticed you. We talk about things with each other. That's why we have each other. That's why we come here, because we can talk about things here that we don't talk about to our families and those who don't understand.

And lastly, how many people in your life are feeding off you? Those who need you, they'll feed you, but they drain you.

And my last comment: "I am, I can, and I will." Don't ever forget those three words, because if you apply them to your life, you will come forth victorious.

You will always have somebody to stand by you and to share some of the horrible things that you've gone through.

So, think about those that we've lost this year. There are no words to explain the pain and the hurt.

Thank you, very much. God bless you.

CONVENTION BODY: (Round of applause.)

MR. BURGIN: Shall we pray.

(Singing of "The Lord's Prayer" by Firefighter Gary Burgin.)

(Singing of "You Raise Me Up" by Executive Committeeman Gerard Naylis.)

(CHAIRMAN LYNCH recites "The Firemen's Prayer.")

When I am called to duty, God
Wherever the flames may rage
Give me strength to save a life
Whatever be its age.

Let me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert
And hear the weakest shout
And quickly and efficiently
To put the fire out.

I want to fill my calling
To give the best in me.
To guard my friend and neighbor
and protect their property.

And, if, according to Your will,
I have to lose my life,
Please bless with Your protecting hand,
My family.

(Singing of "God Bless America" by Firefighter Harvey Bailey.)

CHAPLAIN ANTHONY SARANCHAK: Let us pray to conclude this year's Memorial Service and be thankful for all the talents and skills that come together to remember and honor those lost.

Let us pray, God, that we can make the best use of the gift of time You have given us. We know how to measure time in seconds, minutes, days, years, and even light years of the universe. Yet time is still something to always ponder and a mystery that eludes us and perplexes us.

None of us know what God may ask of us when we walk out through the doors of this Convention Hall. None of us know what the next emergency call or the response that we bring. None of us know how much time we have left on this earth.

Let us start each day with a more grateful heart, increased faith in God, His plan for each of us, and to always remember the path ahead of us was started by those who we remember and honor today.

We ask God to continue to strengthen us, all Firefighters, their families, and we thank You for this special calling in life You have given us.

God, our Father, we pray each day in this moment. Amen.

PRESIDENT ORDWAY: This concludes our Memorial Service.

At this time, I would ask the Wildwood Fire Department Honor Guard to retire the Colors.

(Wildwood Fire Department Honor Guard retires the Colors.)

(Exit of Bagpipers.)

PRESIDENT ORDWAY: You may be seated.

I would like to thank the Bergen County Firefighters Pipe Band, the Wildwood Fire Department Honor Guard, our soloists, and the Memorial Committee for the Memorial Service.

If you look in your program, you'll notice that for the Pledge of Allegiance we had a different name than the person who actually led us.

We wanted to honor Joseph Valentino. He was named as National Volunteer Fire Council Nationwide Junior Firefighter of the Year.

His schedule changed last minute, so he couldn't be here this morning, but we still felt that was an honor worthy of mention.

It's only the second time that a New Jersey Junior Firefighter had that honor.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: A reading of the Call of the Convention by Secretary Thomas Pelaia.

(SECRETARY THOMAS PELAIYA reads as follows:)

CONVENTION
OF THE
NEW JERSEY STATE FIREMEN'S ASSOCIATION

Wall Township, New Jersey 07727

December 1, 2023

TO LOCAL FIREMEN'S RELIEF ASSOCIATION:

Secretary:

At the meeting of our Executive Committee held on November 18, 2023, the following recommendations were adopted:

WE RECOMMEND THAT INVITATION TO ELECT DELEGATES AND ALTERNATES BE EXTENDED TO ALL RELIEF ASSOCIATIONS WHO WERE IN ACCORD WITHIN THIS STATE ASSOCIATION AS OF DECEMBER 31, 2023.

PLEASE KEEP IN MIND N.J.S.A. 43:17-42 WHEN ELECTING THE CHIEF DELEGATE, WE WILL NOT ACCEPT ANY OTHER NAME AS A DELEGATE FOR THE CHIEF EXCEPT THE NAME OF THE CHIEF THAT IS LISTED ON THE OFFICERS LISTING FORM THAT HAS BEEN SUBMITTED FROM EACH ASSOCIATION.

WE FURTHER RECOMMEND THAT THE CREDENTIALS OF DELEGATES AND ALTERNATES ELECTED BE FILED IN THIS STATE ASSOCIATION OFFICE NOT LATER THAN MAY 1, 2024, FOR CERTIFICATION OF DELEGATES AND ALTERNATES AS TO THEIR ELIGIBILITY TO SERVE.

COPY OF THE RECOMMENDATIONS TO BE MADE PART OF THE INVITATION AND RECORDED IN THE ABRIDGED REPORT OF THIS MEETING IN FULL.

ANY ASSOCIATION WHICH MAY FAIL IN FILING IT'S CREDENTIALS WILL NOT BE SEATED AT THE 2024 CONVENTION.

Therefore, we wish to announce that the ONE HUNDRED FORTY-SEVENTH ANNUAL CONVENTION OF THIS STATE ASSOCIATION will be held in CONVENTION HALL, located at Burk Avenue and the Boardwalk, Wildwood, New Jersey, on the 13th and 14th of September 2024.

THE BUSINESS SESSION OF THE CONVENTION will be FRIDAY, SEPTEMBER 13TH, 2024, and the VOTING SESSION will be SATURDAY SEPTEMBER 14, 2023.

THE INDIVIDUAL CREDENTIALS WILL BE FORWARDED TO ALL ASSOCIATIONS WHICH HAVE FILED THE NAMES OF THEIR DELEGATES ELECTED ON OR BEFORE MAY 1, 2024.

Fraternally yours,

Thomas J. Pelaia

PRESIDENT ORDWAY: Thank you, Tom.

I have some Convention Committee Appointments.

Chairman of the Credential Committee, Brian Van Hook.

Chairman of the Resolution Committee, George Morris, Esquire.

Judge of Elections will be Gerard Greci.

Robert Chambers, Past Executive Committeeman, Salem County.

Neil Gallo, Past Executive Committeeman, Somerset County.

And Konrad Mellert, Past Executive Committeeman, Warren County.

We thank them for their service.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: We also thank our Chaplains that are here today, Dan Schafer and Anthony Saranchak.

Introduction of guest speakers. I apologize to everyone. There was a mix-up in our Office. It got out late. We could not schedule the Governor to be here. My apologies. We'll try to make up for it next year.

We'll now hear from the Wildwood Mayor, Ernie Troiano, Jr.

MAYOR TROIANO: Good morning, everyone. Mr. President, Vice President, Delegates, Brother and Sister Firefighters in the State of New Jersey, thank you, so much for being here.

It's not often that we get to, but once a year, to gather together and reunite old friendships and what-have-you, but we are truly grateful on behalf of all the Mayors, Commissioners, and Councilmen from the City of the Wildwoods to once again invite you here.

Sometimes it seems that you're not appreciated. I can guarantee you, each and every one of you are more than appreciated. If you look around, you'll notice that we're starting to thin out a little bit, and that's a shame, but each and every one of you have stood the time and continue to dedicate your service to your community, and we are grateful that you take your time, because I see a lot of older Members here, not a whole lot of younger, and for some reason, the younger guys are not joining like they used to.

But I see a lot of heroes out here, a lot of men and women who make sure that their communities are safe and they are protected, and we're grateful for that. We thank each and every one of you for that.

Also, I'm going to take my hat off and I'm the president of the association that runs the events out here. We invite each and every one of you to enjoy what we have for the exhibits.

And just as a public service notice, with regards to parking, stay out of the crosswalks and stay out of the yellow zones.

And understand that there are private parking lots that look like public parking that are not. We cannot help you if you get ticketed for that.

We want to wish you a very, very successful Convention. We thank you for your service, and may God bless each and every one of you. Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Next, we have Wildwood Fire Chief Ernie Troiano III.

FIRE CHIEF TROIANO: Good morning, everyone. On behalf of the Wildwood Fire Department, it truly is an honor to stand up here and welcome you all back for another year. This is the weekend we look forward to because, you know, we get to catch up with old friends, catch up with people we dealt with, you know, through unfortunate incidents, and to see people coming back in much better shape than they were when we dealt with them. It honestly is a very rewarding and beautiful thing to see.

I would like to recognize the Memorial Service. It was absolutely beautiful. The Bergen County Pipe Band did a phenomenal job, as well as the Wildwood Fire Department Honor Guard. It truly was a beautiful way to honor those that we've lost.

I'll keep this pretty short and sweet, but this is not – it is no wonder what's going on in this world today, right? As we approach the election, things are going to get more turbulent. They're going to do whatever they can to divide us as a nation.

Not everybody coming through the border are here for good intentions, as we're all well aware of. What happened to that is the politicians really – they don't really care. They're going to pander, right? They're going to do what they can, they're going to try and secure votes, whatever the case may be, but when something tragic happens, it's not them answering the call, it's every one of you. It's all of us.

The one thing I try to drive home with my guys, and I love every single one of them as if they're family, whatever's going on outside, it cannot affect what happens in our Departments, right?

We've got to stay united, we've got to continue to look out for one another, because at the end of the day, we're all we got.

No one is going to understand what we go through better than your Brother and Sister that are right next to you that went through it with you.

So, I ask everyone, just don't buy into the crap. Don't buy into the media jamming hatred down our throat and trying to divide us. Stay united, look out for one another.

And I hope this weekend allows all of you the opportunity to kind of step back from your daily grind and enjoy what we have to offer.

If you're going to the beach, it's going to be beautiful out. I just want to let you know, there are no lifeguards, so, please, don't take a great weekend and turn it into a tragedy. Be very smart when you're down there. Alcohol and the ocean don't mix too well. Don't go in above the knees, I'm telling you. You're going to do what you guys want, but, please, just be careful.

If you guys need anything, we're literally down the street, a phone call away. We'll be more than happy to help you any way we can. Enjoy your Convention.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: On behalf of the New Jersey State Firemen's Association, I'd like to present this trophy to you for the best appearing overall Department in the parade tomorrow.

FIRE CHIEF TROIANO: Thank you, very much.

PRESIDENT ORDWAY: Thank you. Great job.

Next, we have the Wildwood Convention Center Executive Director, Lou Belasco.

MR. BELASCO: Good morning and welcome to the 2024 Firemen's Convention.

Thank you, President Ordway, for allowing me the privilege to welcome the annual gathering of New Jersey's bravest men and women back to the Wildwoods.

Having recently completed a full year with the Wildwood Convention Center, I must say, having the honor to stand here and welcome you all on behalf of the New Jersey Sports and Exposition Authority and the Wildwood's Convention Center is the highlight of my year.

It is an honor for us to continue to host this gathering of dedicated and selfless heroes who serve our communities around the clock, and throughout the calendar.

We are excited to highlight our hospitality and the warmth of the Wildwoods throughout your stay. As you explore our island, kick back and have an enjoyable time. You all deserve it, and probably didn't need my permission to do so.

Since last year, my own son has begun the process of becoming a Firefighter in Wildwood Crest.

CONVENTION BODY: (Round of applause).

MR. BELASCO: Thank you. As he embarks on this endeavor, I am grateful that the New Jersey State Firemen's Association is here to advocate for him and all the men and women who elect to sacrifice their time and energy ensuring our neighborhoods are protected.

The selfless nature of the calling you have all answered needs advocates. For it is the advocate that allows the hero to put full concentration into their mission knowing someone always has their back.

That is why the commitment of your Association stretching back well over a century is of such importance, and the work of those on stage and in the audience today supplies the ever-constant maintenance for this generational foundation upon which New Jersey's Fire Service is built.

In recognition of your resolve, we express our gratitude for your service through our pledge to make your Annual Convention the best that it can be now and for many years to come.

So once again, on behalf of the entire island, I extend a heartfelt welcome to the 2024 New Jersey Firemen's Convention, and thank you for entrusting us with the privilege of hosting you all.

Good luck in your parade tomorrow. Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Next, we have the New Jersey Director of Fire Safety, Rich Mikutsky.

MR. MIKUTSKY: Good morning, everyone, and welcome to the 147th Annual New Jersey Firemen's Convention. It's an honor to be with this distinguished group of Firefighters, Officers, and supporters, most of you who have dedicated your lives to service, safety, and community.

Today we come here not only to celebrate this tradition in excellence, but to recognize the bravery and sacrifice and commitment that each of you bring each and every day.

Whether you've been part of this Convention for many years or this is your first one, we hope that this event will inspire, educate, and strengthen your resolve to protect and serve.

We're reminded that every call that we answer, every fire that we put out, and every life that is saved represents the heart of what it means to be a Firefighter.

Thank you for your service, for your dedication, and for being part of this proud Firefighting community. Stay safe and enjoy the Convention.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: From the National Fallen Firefighters Foundation, we have CEO Victor Stagnaro.

MR. STAGNARO: Thank you. Mr. President, Mr. Vice President, Delegates, and Officers of the Association, on behalf of the Board of Directors of the National Fallen Firefighters Foundation, thank you for the heartfelt welcome that we receive here in New Jersey every year.

Just before Chief Stable brought me back to the backstage here, I was with one of our Fire Hero families, the widow of a New Jersey Fallen Firefighter. And she looks up at me and she says: "Isn't it great to be among great people?"

That's all of you. Every day you answer the call and hundreds of thousands of the Firefighters are answering the call today and every day. And sometimes, despite your best efforts or despite the fact that the National Fallen Firefighters Foundation has initiatives to try to reduce Line-of-Duty Deaths and injuries, the worst thing happens.

And as a mom of a Fallen Firefighter told me two months ago: "You know what happens when there's a burial, when I buried my son and the Firefighters that have been there for two weeks supporting me and helping me, be there, you know what happens after that? The National Fallen Firefighters Foundation swoops in, wraps its arms around you and saves your life."

And because of the support you provide, just like at the Beach Bash tonight I hope you'll be able to attend, those funds help us to bring the families of the Fallen Firefighters to the National Memorial the first Sunday in every May.

This past year we honored six brave men who gave their life serving their communities from the great State of New Jersey.

So, thank you for the support, thank you for all that you do.

Hope you have a fantastic Convention, and stay safe.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Next, we have the Founder of the Program, "A Gift from Captain Buscio," Donna Buscio.

CONVENTION BODY: (Round of applause.)

MS. BUSCIO: Thank you, President Ordway, and the Association.

Good morning, my family of Firefighters. I am so proud to be here addressing you regarding "A Gift from Captain Buscio."

"A Gift from Captain Buscio," for those of you who may not be familiar, is a Program that offers comprehensive physicals to all Firefighters, including retired Firefighters. But, it doesn't just offer complete physicals, it offers peace of mind.

Over the years, there have been many Firefighters who have shared with me their position of being predisposed genetically to heart disease and the like.

So, this Program can also offer you some peace of mind in this dynamic world.

As far as updates for the Program itself, we currently have five locations: Secaucus, Paramus, Elizabeth, Lakewood, and Voorhees, New Jersey.

This year we are breaking ground on our sixth site, which will be in Elizabeth, New Jersey, to keep the appointment times within range.

I ask you, if you have any concerns about the Program, my e-mail is dbuscio@aol.com. Please feel free to reach out if you have any questions or concerns.

Thank you, very much for your time today. Appreciate it.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: I went to the Program. They found some issues. I'm up here right now rather than getting hit solid sometime outside of this place.

Please, take advantage of the Program, get checked, so you can see your kids, grandkids, great grandkids, and so forth. Get checked.

Next, we have from the New Jersey Fire Museum and Fallen Firefighters Memorial, David Horsnall.

MR. HORSNALL: Thank you, Mr. President, Officers, Delegates, Firefighters, all. It's always a pleasure to be part of this awesome group and to talk about the history and the service of people.

Our mission continues to exhibit, display, tell the story and the history of the Fire Service in New Jersey. It's really not just a story of apparatus, trucks, and engines. It's a story of all of you, all of us, and the people that were here yesterday and ten years ago and a hundred years ago.

When you see this equipment, when you see the displays about the people, it gives you goosebumps.

We've added a lot of new trucks and engines, a lot of new pieces of hardware that have come in, in the last year or so, and that continues to grow.

We've improved the site, a lot of work on the property, and as well as the facilities themselves. It's amazing what a new floor will do to an exhibit hall where you're trying to display apparatus that goes back to 1814 and up into the 1890s.

So, we'll continue with that process.

September the 29th is our Open House. This year, it has grown to be a muster at an Open House.

So, please, check out that opportunity. We ask you to come and visit with us, come and see a lot of new equipment – I should call it antique equipment, older equipment. And that would do two things you could do on that day. Not only would you see the display and the exhibits, but you could also get a price on membership at \$25 for a year.

I mention that because that's all important to the enhancements and the things that we are doing at the Museum, the preservation and restoration of equipment.

The last item I'd like to talk about is really now the most exciting thing that's going on. And after all the years of working at this, I am incredibly hopeful and believe that in the next six weeks or so, after months and years of interviewing artists and sculptors and people involved with landscaping, we are about ready to sign an agreement with those people that will do the work of the significant elements in the Memorial.

We want it to be New Jersey proud. We want it to be the story and make your emotions flow when you look at it and realize we're talking about those people here in New Jersey that have dedicated their lives to their communities.

So, keep an eye on our website, keep an eye on our social media, and stay attuned to where we're going with not only the Museum, but the Memorial component, which is incredibly important to all of us.

Again, it is your history, our history that we're talking about.

Thank you, very much. Appreciate the time to bring you up to date.

PRESIDENT ORDWAY: Thank you, very much.

I next have newly-elected President, Frank Walters of the New Jersey State Fire Chiefs' Association.

MR. WALTERS: Thank you, ladies and gentlemen, my Brothers and Sisters.

New Jersey State Fire Chiefs' Association offers many opportunities. We have training programs that are open to both Members and nonmembers. Scholarships are open, and, lastly, with the last three years partnering with the New Jersey Deputy and Battalion Chiefs' Association under the direction of Charles Lind, we have reactivated our awards for bravery.

This is just a brief opportunity – or information of what our organization is. I urge you all to visit our table on the way out or go to our website, which is njchiefs.com, and that concludes it.

Chief Ordway, I look forward to working with you.

PRESIDENT ORDWAY: Always a pleasure.

Next, we have, from the New Jersey Firemen's Home, Chairman Thomas Washer.

MR. WASHER: Good morning, Officers, State Associations, Delegates, Life Members, and distinguished guests.

As Chairman of the Full Board, the Managers and myself would like to report on some activities to the New Jersey Firemen's Home for the past year.

So, I'm not going to reread the statements that were given to each of you at your caucuses.

As of August, the 10th of 2024, we have a total of 82 Guests at the Home. We are full and we have established a waiting list, which is currently at 15.

During the past 12 months, we have lost 18 Guests who answered their final alarm. They were remembered at our annual Memorial Service this past August.

The Board of Managers have abolished the Executive Board and now are making all meetings a Full Board Meeting so every Manager and County is represented and has a voice.

Historical oil paintings of the Lathrop family have been returned to the Home and are displayed in the old mansion portion of the Home. The Boonton Historical Society made this happen.

A long-term planning committee has been established and an actuary study is underway for the future needs and possible expansion of the Home, since the facility is now full.

We replaced all our beds at the Home and we purchased new NJFH blankets for each room with the assistance of a very generous donation by our Brother Firefighters.

On October, the 19th of 2024, we'll be hosting the Antique Fire Association of New Jersey muster at the Home between 9:00 a.m. and 2:00 p.m.

We continue to be rated as one of the top nursing homes, based on our inspections by the State Department of Health and Human Services.

The past summer months, we've had full outdoor activity season with the Guests. They enjoyed the barbecues and the visitation from visiting Fire Companies, County Associations.

We ask you to consider hosting an event in the future for the Guests. We invite you and others to the Firemen's Home, meet the staff, mostly visit with the Guests, and see firsthand how the Home operates.

The Board of Managers remain most grateful for the continued support from many businesses, Fire Companies, County, Local, State Associations, and others who donate their time and financial support for the well-being and happiness for the Guests at the Home.

In ending, I want to thank everyone for their time today and the opportunity to be the Chairman of the best Firefighters' Home in the country.

I wish you all a safe and productive Convention. Most of all, have a safe trip home.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: You see on the screens; they were able to make a connection to the Home. Thank you.

Next speaker is from the American Red Cross, Fred Schlesinger, who's a volunteer partner to the State Disaster Office.

MR. SCHLESINGER: It's always good to have good friends in the audience.

So, first of all, the American Red Cross, like you guys, are a volunteer-led organization, and what we do is, we pick up after you've saved lives, homes, property, pets, and we look for – and we work on the fire victims who are still alive, for the most part.

We financially support them. We provide them with all kinds of additional assistance, and we work with community partners, such as you guys, and local churches and different types of organizations, in order to help these people get on the road to recovery.

Once the Fire Department has cleared the site and the people are standing on the curb, it's really the American Red Cross who gets called and we get called when those folks are, in fact, in need of assistance. It's the American Red Cross who picks them up and helps them.

So, we have sort of an aligned mission, you and I, we, together, to the people of New Jersey.

I just want to give you a few statistics very quickly, just from the last year. So, in the last year, our fiscal year ends in July, we responded to 971 fires, we responded to 970 home fires, we responded to 249 people educated through a community preparedness program. We had 177 children through youth and the youth preparedness. We advanced over \$2 million in financial assistance to fire clients.

We assisted – give me just a second here. We provided wraparound services, including mental health contacts, municipal health contacts, and health services and spiritual care contacts to people in New Jersey who needed assistance that we could provide.

So, the reason why I'm here today is to kind of ask you guys, as you begin to age out, you can't get up on the engine anymore, I understand that, I have knee problems myself. So, as you age out, consider joining the Red Cross.

You could serve by helping the fire clients in your community. You may not be able to put out the fire, but you can certainly help them after the fire's over.

That's it. Enjoy your Convention. You have the utmost respect from us, the Red Cross.

CONVENTION BODY: (Round of applause.)

Independent Auditor's Report

Board of Managers
New Jersey Firemen's Home
565 Lathrop Avenue
Boonton, NJ 07005

Opinion

We have audited the accompanying financial statements of New Jersey Firemen's Home which comprise the statement of assets, liabilities, and fund balance—cash basis as of June 30, 2024 and 2023, and the related statements of support revenue and expenses and changes in fund balance—cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balance of New Jersey Firemen's Home as of June 30, 2024 and 2023, and its support revenue and expenses and changes in fund balance for the years then ended, in accordance with the cash basis of accounting as described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Jersey Firemen's Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1 and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

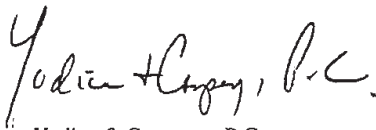

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Jersey Firemen's Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Jersey Firemen's Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NEW JERSEY FIREMEN'S HOME
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

Nature of Business

The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

Cash and Cash Equivalents

For the purpose of the statements of assets, liabilities and fund balance – cash basis, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

Medical Fund

The medical fund has been established to collect and disburse funds on behalf of the guests. An individual medical account is maintained for each guest in the New Jersey Firemen's Home. The funds are not segregated, and interest earned on such funds is retained by the New Jersey Firemen's Home. The individual accounts are maintained to record the funds collected and disbursed on behalf of the guests.

The primary sources of funds collected on behalf of the guests include: Social Security benefits, pensions and personal remittances from guests or their families. The primary sources of funds disbursed on behalf of the guests include: room and board charges, medical expenses and various personal expenses. Statements are mailed to guests' families/responsible parties on a quarterly basis.

When a receivable has resulted, i.e. more funds disbursed than available, the families/responsible parties are requested to remit such.

Upon admission, guests are requested to grant the New Jersey Firemen's Home a limited power of attorney to execute the aforementioned transactions. Upon the expiration or discharge of a guest, any remaining balance is returned to the guest or the guest's estate after all anticipated expenses have been paid. Such release of funds is approved by the Board of Managers. Should a deceased guest have a balance in excess of \$500 upon death, a statement which lists the executor is required from the local county surrogate.

Fixed Assets

Fixed assets are maintained in the Property Fund. Asset acquisitions with a cost of \$1,000 or more have been capitalized. Depreciation is computed on a straight line basis over the useful lives of the assets generally as follows:

Buildings and Improvements	10-50 years
Furniture and Equipment	5-10 years
Vehicles	5 years

**NEW JERSEY FIREMEN'S HOME
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2024 and 2023**

NOTE 1 (Continued)

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as paid.

Estimates

Management uses estimates and assumptions in preparing the financial statements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

Income Taxes

The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

Subsequent Events

Subsequent events have been evaluated through August 30, 2024 and August 31, 2023, which are the dates the financial statements were issued.

NOTE 2: GUEST TRUST FUNDS RECEIVABLE

Consists of medical accounts of individual guests for which more funds have been disbursed than are available. Five guests had a combined balance of \$8,795 and \$12,753 at June 30, 2024 and 2023, which is greater than 33% and 42% of the totals.

NOTE 3: GUEST TRUST FUNDS PAYABLE

Consists of medical accounts of individual guests for which more funds have been collected than have been disbursed. Five guests had a combined balance of \$115,387 and \$102,992 at June 30, 2024 and 2023, which is greater than 87% and 80% of the totals.

NOTE 4: INDIGENT GUEST EXPENSES

Independent Auditor's Report

Board of Managers
New Jersey Firemen's Home
565 Lathrop Avenue
Boonton, NJ 07005

Opinion

We have audited the accompanying statements of cash receipts and disbursements of the New Jersey Firemen's Home – Operating Fund for the years ended June 30, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the cash receipts and disbursements of New Jersey Firemen's Home – Operating Fund for the years ended June 30, 2024 and 2023, in accordance with the cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Jersey Firemen's Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. These financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Jersey Firemen's Home internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Jersey Firemen's Home ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

Nature of Business

The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

Cash and Cash Equivalents

For the purpose of the statements of cash receipts and disbursements, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

Estimates

Management uses estimates and assumptions in preparing the statement of cash receipts and disbursements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

Income Taxes

The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

Subsequent Events

Subsequent events have been evaluated through August 30, 2024 and August 31, 2023, which are the dates the statements of cash receipts and disbursements were issued.

Independent Auditor's Report on Supplementary Information

Board of Managers
New Jersey Firemen's Home
565 Lathrop Avenue
Boonton, NJ 07005

We have audited the statements of cash receipts and disbursements of the Operating Fund of the New Jersey Firemen's Home for the years ended June 30, 2024 and 2023, and our report thereon dated August 30, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1-2. Our audits were conducted for the purpose of forming an opinion on the statements of cash receipts and disbursements as a whole. The following supplementary information (Schedules 1-6, contained on pages 9-12) is presented for purposes of additional analysis and is not a required part of the statements of cash receipts and disbursements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements. The information has been subjected to the auditing procedures applied in the audits of the statements of cash receipts and disbursements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements or to the statements of cash receipts and disbursements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the statements of cash receipts and disbursements as a whole.

Independent Auditor's Report

Trustees
New Jersey Firemen's Home
Employees' Pension Plan
565 Lathrop Avenue
Boonton, NJ 07005

Opinion

We have audited the accompanying financial statements of the New Jersey Firemen's Home Employees' Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of accumulated plan benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of the New Jersey Firemen's Home Employees' Pension Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the New Jersey Firemen's Home Employees' Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey Firemen's Home Employees' Pension Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New Jersey Firemen's Home Employees' Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New Jersey Firemen's Home Employees' Pension Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year end) and (Acquired and Disposed of Within a Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: Description of Plan

The following brief description of the New Jersey Firemen's Home Employees' Pension Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined benefit pension. All non-union employees entered the plan on the July 1st nearest later of the last day of their first year of service and age 21. Effective July 1, 1998, only those employees who completed at least 1,000 hours of service in a plan year accrued pension benefits. Effective July 1, 1999, members of the Board of Managers are credited with 83 1/3 hours for each month they serve on the Board. Effective July 1, 2000, all staff employees are covered under the New Jersey Public Employees Retirement System and will not accrue any further benefits under this Plan.

Pension Protection Act of 2006

The Pension Protection Act of 2006 (PPA) was signed into law on August 17, 2006 and is generally effective for Plan Years beginning after 2007. PPA amended the Employee Retirement Income Security Act of 1974 (ERISA) under which increased responsibility had been placed on the Plan's Enrolled Actuary and the selection of the actuarial assumptions. In an attempt to strengthen the financial stability of all defined benefit plans, PPA substantially changed the way funding requirements are determined. The Worker, Retiree and Employer Recovery Act of 2008, which was signed into law on December 23, 2008, included technical corrections to PPA. The Moving Ahead for Progress in the 21st Century Act (MAP-21) was signed into law on July 6, 2012. The Highway and Transportation Funding Act of 2014 (HATFA) was signed into law on August 8, 2014. MAP-21 and HATFA contained Pension Funding Relief provisions.

The actuarial cost method (funding method) to be used to determine the Minimum Required Contribution under PPA is an unprojected unit credit cost method.

PPA prescribes the use of segment interest rates for determining the present value of benefits. These segment rates are based on the corporate bond yield curve for certain investment grade bonds that mature at three different times (less than 5 years, between 5 and 20 years, and after 20 years). Alternatively, a full yield curve can be used, if elected. PPA added the calculation of an Effective Rate which is the equivalent single rate that will produce the same accrued liability (the Funding Target) as the segment rates used for funding. PPA further prescribes the use of specific mortality tables which will be published periodically by the Secretary of the Treasury.

MAP-21 changed the method of calculating the segment interest rates resulting in a reduction in Plan liabilities and minimum required contribution. Beginning with the 2008 actuarial valuation, the prescribed assumptions will be reflected, where applicable, and revised each year.

The balance of the actuarial assumptions will continue to reasonably reflect the Plan's experience. As part of the annual report to the Internal Revenue Service, the Plan's Enrolled Actuary must prepare an "actuarial statement" which includes an opinion that these nonprescribed actuarial assumptions reasonably reflect the Plan's experience and expectations and represent the "best estimate" of anticipated experience under the Plan. No changes, other than those prescribed by law, are required at this time.

NOTE 1 (Continued)

Pension Benefits

Participants with three or more years of participation were previously entitled to annual pension benefits beginning at normal retirement age (65) equal to \$16.67 multiplied by benefit years, not to exceed 30 benefit years, to a maximum of \$500 per month and a minimum of \$100 provided they had 10 or more benefit years. Effective July 1, 2002, a participant's normal pension benefit shall provide a monthly payment equal to \$83.33 multiplied by his benefit years up to, but not exceeding 10 benefit years, to a maximum of \$833.33. The Plan permits early retirement at age 55 with a minimum of 10 years of service. Participants may elect to receive their pension benefits in the form of a joint and survivor annuity. If participants terminate before rendering 5 years of service, they forfeit the right to receive the portion of their accumulated plan benefits. Effective July 1, 2005, normal retirement date has been amended to be the first of the month after the age 62 (from 65) and the later completion of three years of plan participation.

Death Benefits

If a participant dies before benefits commence, but after the interest in the Accrued Benefit has become vested to some extent, his/her Spouse shall receive the survivor annuity benefit which would have been payable if the participant had elected to receive the Standard Annuity commencing the day before death, or, if the participant had not yet reached the earliest retirement age under the Plan, the benefit which would have been payable based on the actual Accrued Benefit but assuming that the participant had survived to the earliest retirement age under the Plan, had elected to receive the Standard Annuity, and had died on the following day, subject to the same actuarial reduction normally applicable on account of the commencement of benefits before the Normal Retirement Date. The Administrator may pay the Spouse, in lieu of monthly payments, a lump sum which is the Actuarial Equivalent of the survivor annuity, provided the lump sum is less than \$5,000.

If the participant dies before benefits commence while in active service, but after Normal Retirement Date, the Spouse, if any, shall receive the survivor annuity benefit which would have been payable assuming that the participant had elected to receive the Standard Annuity, and had died on the following day.

If the participant dies after benefits commence, any remaining benefits under the Standard Annuity or the alternative benefit form, if any, that was elected shall be paid to the Spouse or other Beneficiary, as the case may be.

Disability Benefits

If Service is terminated by Disability, the participant shall be eligible to receive a Disability Pension Benefit. The Disability Pension Benefit shall provide monthly payments of an amount such that the benefit is the Actuarial Equivalent of the Accrued Benefit at termination. If the participant is disabled, he/she may not elect to receive an alternative form of benefit other than the Standard Annuity. Disability Pension Benefits shall begin on the first day of the month following the fifth full calendar month of Disability, and shall end only if Disability ends before the Normal Retirement date. A participant will not be considered disabled unless he/she qualifies for disability benefits under the Federal Social Security Act or Veterans Disability Act.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodian. See note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the plan's provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. Effective July 1, 2002, benefits under the plan are based on participants' benefit years multiplied by \$83.33 per year not to exceed \$833.33 per month. The benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to participant service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an actuary from BPAS Actuarial and Pension Services, LLC, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuations as of July 1, 2024 and July 1, 2023 were life expectancy of participants. The base mortality tables for July 1, 2024 and July 1, 2023 are the sex distinct RP-2014 mortality tables for healthy annuitants adjusted backwards to 2006 with Scale MP-2014. The base mortality table is adjusted by projecting mortality improvements using Scale MP-2017 from the year 2006 through 2019 with an additional projection period of 8 years for males and 9 years for females. For ages below 80, the additional projection period is increased by one year for each year below 80; for ages above 80, the additional projection period is reduced (but not below zero) by one third year for each year above 80.

The interest rate used to discount the obligation for July 1, 2024 and July 1, 2023 was 7%, including a reduction of 0% to reflect anticipated administrative expenses associated with providing benefits.

**NEW JERSEY FIREMEN'S HOME
EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023**

NOTE 2 (Continued)

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as July 1, 2024 and July 1, 2023. Had the valuations been performed as of June 30, there would be no material differences.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events have been evaluated through August 30, 2024, which is the date the financial statements were issued.

NOTE 3: FUNDING POLICY

The New Jersey Firemen's Home's funding policy is to make annual contributions to the Plan in amounts that are usually within the minimum required contribution and maximum recommended contribution as computed by BPAS Actuarial and Pension Services, LLC. The minimum required contributions were \$112,132 and \$96,606 for years beginning July 1, 2023 and 2022. The Finance Committee of the Plan sponsor elected to contribute \$0 and \$0 in plan years ended June 30, 2024 and 2023.

NOTE 4: PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- Benefits former participants or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable or would have been payable under plan provisions in effect at any time during the five years preceding Plan termination.
- Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) up to the applicable limitations (discussed below).
- All other vested benefits (that is, vested benefits not insured by the PBGC).
- All nonvested benefits.

**NEW JERSEY FIREMEN'S HOME
EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023**

NOTE 4 (Continued)

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination. However, there is a statutory ceiling on the amount of an individual's monthly benefit that the PBGC guarantees. That ceiling applies to those pensioners who elect to receive their benefits in the form of a single-life annuity and are at least 65 years old at the time of retirement or plan termination (whichever comes later). For younger annuitants or for those who elect to receive their benefits in some form more valuable than a single-life annuity, the corresponding ceilings are actuarially adjusted downward.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits and may also depend on the level of benefits guaranteed by the PBGC.

NOTE 5: FAIR VALUE MEASUREMENTS

NOTE 5 (Continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs other than quoted market prices included in Level 1 that are either directly or indirectly observable for the asset, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of certificates of deposit, mutual funds, money market funds, US Government Securities and preferred stocks is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of corporate bonds is based on quoted prices for similar assets in active markets.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 7: TAX STATUS

The plan obtained its latest determination letter on September 28, 2018, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code (IRC). The Plan has not been amended since receiving the determination letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: ADMINISTRATIVE EXPENSES/RELATED PARTY TRANSACTIONS

Certain administrative expenses of the Plan are paid by the Operating Fund of the New Jersey Firemen's Home. For plan years ended June 30, 2024 and 2023 those expenses, consisting primarily of fees paid to actuaries and auditors, were \$19,623 and \$16,261, respectively. Those expenses are excluded from these financial statements. Certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for pension benefits for the financial statements to the form 5500:

PRESIDENT ORDWAY: Now we'll move on to communications. Any communications, Secretary Pelaia?

SECRETARY PELAIA: We have no current communications.

PRESIDENT ORDWAY: Moving on. Officer's report, Treasurer Ed Mullen.

TREASURER MULLEN: Delegates and Life Members, the report of the Treasurer, as approved by the Executive Committee, will be the official Certified Public Accountant's report from the firm of PKF O'Connor Davies.

As to our General Fund, this was addressed to the Executive Board, we have audited the financial statements of the New Jersey State Firemen's Association, which comprise the statements of assets, liabilities, and net assets as of June 30th, 2023 and 2022, and the related statements of revenue, expenses, and change in net assets and functional expenses for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Association as of June 30th, 2023 and 2022, and its revenues and expenses for the years then ended in accordance with a modified cash basis of accounting.

As to our Retirement Plan, this was addressed to the Board of Trustees of the Employees' Retirement Plan.

We have audited the accompanying financial statements of the New Jersey State Firemen's Association Employees' Retirement Plan, which comprise the statements of net assets available for the benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits throughout the Plan, as of December 31, 2023 and 2022, and the changes in its net assets available for the benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Respectfully submitted.

Independent Auditors' Report

**Executive Board
New Jersey State Firemen's Association**

Opinion

We have audited the accompanying financial statements (modified cash basis) of the New Jersey State Firemen's Association (the "Association") which comprise the statements of assets, liabilities and net assets (modified cash basis) as of June 30, 2024 and 2023 and the related statements of revenue, expenses and change in net assets (modified cash basis) and functional expenses (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the Association as of June 30, 2024 and 2023, and its revenues and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Change in Accounting Policy

As discussed in Note 2 to the financial statements, during the year ended June 30, 2024, the Association changed its accounting policy to recognize investments at fair value. The Association previously recognized investments at cost. This resulted in a change in the manner in which it presents net assets and unrealized gains and losses. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

New Jersey State Firemen's Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2024 and 2023

1. Organization and Tax Status

New Jersey State Firemen's Association (the "Association") is a not-for-profit corporation that was established through New Jersey State legislation. Its expressed purpose is to maintain a General Relief Fund that provides burial benefits to qualifying members. The Special Relief Fund was initiated to allow relief to be paid to those applicants of associations that cannot afford to satisfy the needs of an applicant when a major loss occurs due to illness or other incidents. The initial contribution of \$2,468,467 was made May 15, 2003. Benefits were made available beginning January 1, 2004.

The Association is a not-for-profit organization that is exempt from income taxes under Section 501(c)(4) of the Internal Revenue Code (the "Code").

2. Summary of Significant Accounting Policies***Basis of Accounting and Use of Estimates***

The financial statements are prepared on the cash basis, modified for investments, which are stated at fair value, and certain assets and liabilities related to insurance claims. In addition, the Association is capitalizing all costs related to its new building and is subsequently depreciating these costs. Consequently, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when the obligations are incurred. Management has determined that the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP"), as described above is an acceptable basis for the preparation of the financial statements in the circumstances.

Change in Accounting Policy

In previous years, the Association recognized investments at cost. In fiscal year 2024, the Association changed its accounting policy to recognize investments at fair value. The accompanying net assets as of June 30, 2022 have been adjusted to conform to the new accounting policy (see Note 7).

Net Asset Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Association's net assets are classified as with or without donor restrictions. At June 30, 2024 and 2023, all the Association's net assets are without donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents include cash held in banks and money market funds with maturities of three months or less at the time of purchase.

Cash Held for Affiliates

Cash held for affiliates represent cash held by the Association for local associations.

New Jersey State Firemen's Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2024 and 2023

2. Summary of Significant Accounting Policies (continued)***Fair Value Measurements***

The Association follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investments Valuation and Income Recognition

Purchases and sales of investments are recorded on a settlement date basis. Realized gains and losses on investments are calculated based on the average cost method for mutual funds and first-in, first-out method for all other securities, and are reflected in the statements of revenue, expenses and change in net assets. Unrealized gains and losses are included in the change in net assets. Dividend income and interest income are recorded when received.

Property and Equipment

Property and equipment is carried at cost. Depreciation is computed using the straight-line method over the estimated useful life of the assets when placed into service. The Association uses a useful life of 39 years for the building, 7 years for furniture and 5 years for equipment.

Revenue Recognition***Insurance companies' tax***

The Association receives a 2% levy on all fire insurance premiums from various insurance companies not domiciled in New Jersey. In addition, the Association receives a 3% surplus line on a quarterly basis from the Producers and Agents, who are in charge of the insurance policies. These monies when received are distributed to New Jersey Boroughs/Townships that have local relief associations. The Association will then retain the remainder of the premium after disbursement is completed. These monies are recognized as revenue when received and are recorded as revenue without donor restrictions.

State of New Jersey (999 Account)

The Association will at times receive a 2% premium that cannot be directly correlated to a specific Borough or Township. This money is dedicated by the Association to the New Jersey Firemen's Home for their annual operating expenditures. Any remaining amount not required for the New Jersey Firemen's Home remains in the Association's general fund. These amounts are recognized as revenue when received and is recorded as revenue without donor restrictions.

New Jersey State Firemen's Association

(Modified Cash Basis)
June 30, 2024 and 2023

2. Summary of Significant Accounting Policies (continued)***Functional Allocation of Expenses***

The cost of providing various programs and other activities had been summarized on a functional basis in the statements of revenue, expenses and change in net assets. All costs are direct expenses to each functional category. Program services consist of benefit payments. All other expenses are considered management and general and unallocated payments to affiliated organizations.

Concentration of Credit Risk

Financial instruments that potentially subject the Association to significant concentrations of credit risk consist principally of cash and cash equivalents, cash held for affiliates and investments. Deposits held at financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC") are insured up to \$250,000. The Association is covered by the Government Unit Deposit Protection Act ("GUDPA") set forth by the New Jersey Legislature, which is a supplementary insurance program that covers the Association's deposits that exceed \$250,000, the federal insurance limit. The Association has not experienced any losses on its deposits.

Investments are managed by a professional investment management firm and are monitored by the Executive Board and an investment advisor engaged by the Association.

Accounting for Uncertainty in Income Taxes

The Association recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Association had no uncertain tax positions that would require financial recognition or disclosure. The Association is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to fiscal 2022.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that financial statements were available to be issued, which date is November 27, 2024.

New Jersey State Firemen's Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2024 and 2023

3. Investments

Investments are carried at fair value. Gains and losses on investments are recorded upon disposition of the investment rather than providing for such gains and losses as they occur.

Investments of the Association consisted of the following at June 30:

	2024		2023	
	Cost	Fair Value	Cost	Fair Value
General Fund				
U.S. treasury securities - Level 1	\$ -	\$ -	\$ 1,196,006	\$ 1,198,088
Mutual funds - Level 1	18,126,946	13,404,708	18,126,946	13,833,091
Bonds - Level 2	18,830,450	13,352,738	22,826,404	15,746,208
	<u>\$ 36,957,396</u>	<u>\$26,757,446</u>	<u>\$42,149,356</u>	<u>\$30,777,387</u>
Special Relief Fund				
U.S. treasury securities - Level 1	\$ 849,150	\$ 846,524	\$ 849,150	\$ 843,294

Fair value of the above investments is determined using quoted market prices.

4. Liquidity and Availability of Financial Assets

The Association's financial assets and resources available to meet cash needs for general expenditures within one year of the date of the statement of assets, liabilities and net assets were as follows:

	2024	2023
Financial assets:		
Cash and cash equivalents	\$ 14,491,236	\$ 2,668,111
Escrow account receivable and other assets	2,655	4,102
Investments, at fair value	<u>27,603,970</u>	<u>31,620,681</u>

Financial assets available to meet general expenditures over the next twelve months	<u>\$ 42,097,861</u>	<u>\$ 34,292,894</u>
---	----------------------	----------------------

As part of the Association's liquidity management strategy, the Association structures its financial assets to be available as its general expenditures come due. A majority of general expenditure over the next twelve months will be financed through cash and cash equivalents, investments, investment income and tax revenue.

5. Property and Equipment

Property and equipment consists of the following at June 30:

	2024	2023
Land	\$ 999,000	\$ 999,000
Building	5,815,541	5,815,541
Furniture	177,377	177,377

Property and Equipment, net	<u>\$ 6,027,940</u>	<u>\$ 6,219,096</u>

6. Retirement Plan

The Association has a noncontributory defined benefit retirement plan which covers all eligible employees and executive committeemen. The Association's objective in funding the plan is to accumulate funds sufficient to provide for all promised benefits and to maintain a relative stable contribution level. Selected data as of June 30, 2024 follows:

Plan assets, at fair value	\$ 8,594,172
Projected benefit obligation	10,688,917
Funded Status	<u>\$ (2,094,745)</u>

The fair value of the pension plan assets is disclosed in the table below based on fair values and "levels" at June 30, 2024 and 2023. The relevant levels are based on the methodology for determining fair value: Level 1 inputs: valuation based on active markets for identical assets; Level 2 inputs: valuation based on significant observable inputs; and Level 3 inputs: valuation based on nonobservable inputs. The pension plan invests in mutual funds to meet its investment objectives. The asset allocation is based on the underlying assets of the various funds. The leveling is based upon each fund as the unit of measure.

Mutual funds measured at fair value are valued using Level 1 inputs at June 30, 2024 and 2023 and are as follows:

	2024	2023
Mutual funds, at fair value	\$ 4,661,222	\$ 4,407,688
Cash, at cost	3,940,176	3,536,072
Less Liabilities	(7,226)	-

Independent Auditors' Report

Employees' Retirement Plan**

Opinion

We have audited the accompanying financial statements of New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Plan Description

The following brief description of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan is a defined benefit pension plan.

The Plan is administered by the New Jersey State Firemen's Association (the "Association"). The Custodian of the Plan is U.S. Bank Institutional Trust and Custody ("U.S. Bank"). The Association has appointed U.S. Bank to hold investment assets and perform most administrative duties.

Pension Benefits

Employees are eligible for participation in the Plan after attaining age 21 and completing one year of service. Participants become fully vested in the Plan after 5 years of service. However, 10 years of service is required for early retirement benefits.

Benefits for participants retiring upon reaching the normal retirement age of 65 are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. The Plan also provides a cost of living adjustment.

An employee may elect early retirement after having reached age 55 and having completed 10 years of service. Benefits upon election of early retirement are reduced for each month by which the retirement date precedes age 65.

The normal form of benefit payment is a life annuity with 10 years certain for single employees and a joint and survivorship annuity basis for employees. Several other options in the method of benefit payment are also available.

Participants who have attained the age of 70½ and are still working must commence collection of their pension benefits. In addition, participants will be able to accrue benefits for service beyond the age of 65.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The Plan is not required to make certain Department of Labor required disclosures as the number of eligible participants is less than 100.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements and changes therein. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Fair value of investments in shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Gains or losses on sales of investments are based on the average cost of investments. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well held during the year.

Accumulated Plan Benefits

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions for services rendered by the employees at the valuation date. Accumulated plan benefits include benefits expected to be paid to present employees or their beneficiaries. Benefits for retired or terminated employees or their beneficiaries are based on Plan provisions at the time of retirement.

Administrative and Investment Expense

Administrative and investment expenses are paid by the Plan. Investment expenses are included in net appreciation (depreciation) in fair value of investments.

Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefit payments are recorded upon distribution.

Risks and Uncertainties

The assets of the Plan are primarily financial instruments which are monetary in nature. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect the changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit and market risk consist principally of cash and cash equivalents including certificates of deposit, and investments held at financial institutions. Deposits held at financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC") are insured up to \$250,000. Investment holdings at financial institutions insured by the Securities Investor Protection Corporation ("SIPC") are insured up to \$500,000 (\$250,000 for cash holdings). At times cash balances may exceed the FDIC and/or the SIPC limit. As of December 31, 2023 and 2022, the Plan's uninsured cash and cash equivalents including certificates of deposit on deposit totaled approximately \$0 and \$3,251,000. As of December 31, 2023 and 2022, the Plan's uninsured investment holdings totaled approximately \$4,113,255 and \$3,898,000.

At December 31, 2023 and 2022, one diversified fixed income mutual fund, affiliated with the Custodian, represented 100% of the Plan's investment portfolio.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is January 15, 2024.

Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2023 and 2022

3. Investments

As of and for the years ended December 31, 2023 and 2022 all of the Plan's investments, which consists of one diversified mutual fund, bought, sold and held was a Level 2 investment.

4. Actuarial Information

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions for the service employees have rendered. They include benefits expected to be paid for (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. The accumulated plan benefits for active employees are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12-month period. Benefits payable under all circumstances including retirement, death, disability, and termination of employment are included to the extent they are deemed attributable to employee services rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of December 31, 2023 and 2022 were (a) life expectancy of participants (the mortality table RP2023 for 2023 and RP2022 for 2022), (b) an assumed retirement of the earlier of age 55 and 10 years of service or age 65 and five years of service and (c) an assumed average rate of return of 3.00% for 2023 and 2022.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2023 and 2022

5. Actuarial Information (continued)

The following data summarizes the actuarial present value of accumulated plan benefits as of December 31 valuation dates:

	2023	2022
VESTED BENEFITS		
Active vested participants	\$ 4,492,388	\$ 3,955,798
Retirees and beneficiaries currently receiving benefits	5,615,122	5,828,580

	<u>10,231,106</u>	<u>9,901,261</u>
Non vested benefits	106,417	200,356
Total Actuarial Present Value of Accumulated Plan Benefits	<u>\$ 10,337,523</u>	<u>\$ 10,101,617</u>

The following data summarizes the changes in actuarial present value of accumulated plan benefits for the years ended December 31:

	2023	2022
Actuarial present value at the beginning of the year	\$ 10,101,617	\$ 9,102,782
Increase (decrease) during the year attributable to:		
Change in mortality assumptions	(60,323)	13,977
Net benefits accumulated (including actuarial gains and losses)	943,652	1,508,887
Benefits paid	<u>(647,423)</u>	<u>(524,029)</u>
Actuarial Present Value at the End of the Year	<u>\$ 10,337,523</u>	<u>\$ 10,101,617</u>

6. Funding Policy

The Association's policy is to fund the Plan annually at the minimum level required under the Employee Retirement Income Security Act of 1974 ("ERISA") regulations as computed by an independent actuary.

7. Income Tax Status

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 30, 2018, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

**New Jersey State Firemen's Association
Employees' Retirement Plan**

Notes to Financial Statements
December 31, 2023 and 2022

7. Income Tax Status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Association has the right to terminate, discontinue making contributions to, amend or modify the Plan at any time, acting through written resolution of the controlling entity of the Plan. Upon termination of the Plan, participants will become fully vested in their benefits earned to date.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency at that time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the Plan sponsor and the level of benefits guaranteed by the PBGC.

PRESIDENT ORDWAY: Do we have a report from our Secretary, Tom Pelaia?

SECRETARY THOMAS PELAIA: Briefly, my report will be made part of the Minutes of the meeting and also has been distributed at the caucuses.

I'd like to bring a couple statistics to you today. During the fiscal year from July 1, 2023, to June 30th, 2024, we processed 1,416 new applications for Membership. Seven hundred, seventy-eight Members received their qualification, 344 Members achieved their Life Member status, and unfortunately, we had 884 Members pass away.

Thank you.

2024 Secretary's Report

First and Foremost, I would like to thank the Officers, Office Staff and you the members of this Great Association for your help, assistance and encouragement in making this job easier and more efficient.

During the past year, the officers and staff worked diligently to streamline our and to make things easier for the local associations. We continue to improve our website by digitizing and simplifying many of our forms.

I am happy to report that processed 1416 applications for membership. We also had 344 members attain Life Member Status and 778 members received their Qualification last year.

In would like to remind everyone that our office stands ready to answer any questions that our members may have. Our office phone number and email addresses are located on our website www.njsfa.com.

In closing I would like to say that it has been an honor to serve all our members
And I hope you have the confidence in me to continue to serve you in the future.

Respectfully submitted,

Thomas J. Pelaia
Secretary

PRESIDENT ORDWAY: President's report.

For several months our website has been experiencing safe website status issues, mostly with Apple computer users that use the Safari browser.

That issue has finally been cleared up and we are once again considered a safe website. So, you can print out the forms, as needed, and Local Officers can get to their section and do what they need to do.

Once we've reviewed the attendance files, made any necessary corrections, you will be able to print your attendance from the Caucus and Convention tab. There will be a delay from Tuesday or Wednesday, but we will post on the home page when they become available.

Members of the Executive Committee are requesting workshops in their various counties. When they are scheduled, we will get word to all Officers in those counties. Please attend, if you are available.

Thanks to our First Assistant Secretary, Brian Martone, we now have new Secretary, Treasurer, and a brand-new Trustee Manual available at the Manual's tab on the website.

We created a suggested registration time for each county for tomorrow's registration and voting. It is on the back of the program.

The purpose is simply to spread out people arriving to vote so we don't have a line, we don't have long issues. It's only a suggestion, but it's for your benefit.

Deborah medical staff is onsite today and will be here again tomorrow for anyone wishing to get a quick medical screening.

The Red Cross is conducting a blood drive here in the building tomorrow from 8:00 a.m. to 1:00 p.m. Please donate if you are able to. Preferably, after you register and vote, in case you have an issue.

The phone number is on the home page of our website if you wish to schedule a time for tomorrow. They say walk-ins are also accepted.

The National Fallen Firefighters Foundation is having a fundraiser at the Seaport Pier in North Wildwood today from 4:00 to 11:00 p.m. Please try to support this organization. As you heard earlier, those funds are used for the Annual National Memorial Service in Emmitsburg and for the families of the Fallen Firefighter Heroes.

I would like to thank our outstanding administrative staff: Beth, Brittany, Denise, and Jennifer. They are the best.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Yes. Trust me, if they handle it, it's probably being done right. If we handle it, have them check our work.

Thank you to the Officers, the Executive Committee, and all who are in related offices for their assistance, cooperation, and support this past year.

The Local Relief Officers deserve an extra thanks for getting their reports in on time.

We only have three Associations not being seated this year due to reports submitted late. Please know that the State Office requires to submit reports to the Legislature, Governor's Office and Department of Banking and Insurance and the Comptroller's Office.

We have deadlines we have to meet, which is why we have deadlines on your Local reports.

Please remember to keep in your prayers our sick and departed Brother and Sister Firefighters, their family members, and the families of our Armed Forces stationed around the world, and all of our Police, Firemen, and EMS Responders.

Since my report was included with the packet you received at the caucus and was also in the newspaper, the rest of my report you can read at your leisure.

Thank you, and may God bless America.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Mr. Secretary, candidates for office for tomorrow?

SECRETARY PELAIA: The following candidates for office submitted their petitions by June 1st, 2024.

President, Robert F. Ordway.

Vice President, Joseph T. Hankins.

Treasurer, Edward R. Mullen.

Secretary, Thomas J. Pelaia.

First Assistant Secretary, Brian E. Martone.

Second Assistant Secretary, Richard K. Dreby.

PRESIDENT ORDWAY: Did any of the candidates wish to say few words?

No, they don't.

On their behalf, I will simply say, we thank you for your past support and hope you will support us tomorrow.

Committee reports. Credentials Committee, Brian Van Hook.

To: Officers and Members
New Jersey State Firemen's Association

In the course of their duties during the past year, the Finance Committee of the Association has met four times at the Wall Township office and each time has conducted an in-depth review and audit of the Association's accounts. These meetings were held on November 13th, February 5th, May 6th and August 5th. In the course of these audits, the Treasurer was available to provide explanatory assistance to the satisfaction of the Committee when and if needed.

The reviews covered the reconciliation of all checks, vouchers, ledger entries and bank statements for the General fund, Burial Fund, Pension, General Checking, Assessment and Special Relief accounts. The Association income documents, bank statements, and credit and debit documents were found to be accurate and in satisfactory condition.

No recommendations for changes were made at the conclusion of these audits and this report.

Very truly yours,

Robert C. Kepler, Jr., Chairman

Edward A. Pettit, Jr.

John A. Delesandro, III

MR. KEPLER: Respectfully submitted, Robert C. Kepler, Jr., Chairman.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Legislative Committee, First Assistant Secretary, Brian Martone.

FIRST ASSISTANT SECRETARY MARTONE: My official report is being submitted for the Red Book.

I just want to add one update. The Governor signed yesterday S2435 Emergency Medical Training Fund.

I want to thank all the Members of the Committee for all the time they put in. Thank you.

**Legislative Committee Annual Convention Report
September 13, 2024**

To All Chiefs, Delegates, Alternates, Life Members, and Guests.

This is the Annual Convention Report for the Legislative Committee. The committee meets once annually and communicates weekly.

We are in the first year of the 221st Legislative Session which ends on January 13, 2026. The total bills that were introduced as of today are 8,868. The Legislative Committee is currently tracking 262 bills separated into three categories, 147 from Fire & Emergency Services, 48 from Pensions, and 71 from Firemen's Home.

There have been 2 of our tracked bills signed into Law this Legislative Session (A-4458, and A-3939).

One of our tracked bills has passed in both the Assembly and Senate and are currently sitting on the Governor's Desk waiting to be signed (S-2435, Emergency Medical Technician Training Fund).

The Governor has signed 62 bills into law to date and currently has Twenty-four bills sitting on his desk waiting to be signed.

There are currently four Volunteer Cancer Screening bills, S-2037/A-373 & A-4649/S-3567, which mandate access to periodic cancer screening examinations for volunteer firefighters. They have all been introduced and referred to committees for a hearing.

Respectfully Submitted,

Brian E. Martone

PRESIDENT ORDWAY: Resolution Committee, George Morris.

ASSISTANT COUNSEL MORRIS: Resolution Committee report was provided at each caucus. This is a summary of that report.

There are four questions on the ballot tomorrow:

Question 1: Approving the 2023 Red Book as printed and as appears on the New Jersey State Firemen's website.

The Resolution Committee recommends a "yes" vote.

Question 2: Shall the Secretary of the New Jersey State Firemen's Association cast a ballot affirming the 2024 county caucus ballots?

The Resolution Committee recommends a "yes" vote.

Question 3: Approving of the 2025 Convention to be held in Wildwood.

The Resolution Committee recommends a "yes" vote.

The State Association received resolutions from ten Local Relief Associations from Gloucester County to avoid voter confusion, from a duplicative effort, and because several of those resolutions were rejected for failure to follow the submission guidelines, the Resolution Committee considers the Franklin Township, Gloucester County Firemen's Relief Association as the first compliant resolution of those submissions.

Again, the wording of the body of the resolutions were identical.

This resolution recommends amendment to Article 6, Section 2 of the Bylaws addressing Burial Claims to amend the list of eligible recipients of the Burial Claim.

The Resolution Committee reports that the Burial Claim is to make sure that a Firefighter receives a proper burial. It is not an insurance policy.

When Members of the Association become eligible for a Burial Claim, those funds are paid directly to the eligible recipient or directly to the funeral home providing the burial services.

Accordingly, the Resolution Committee has recommended a "no" vote, as this question was already adopted at the 2023 Convention. Thank you.

Memorandum

Date: July 9, 2024
To: President Robert Ordway
From: Resolutions Committee
George M. Morris, Asst. Counsel
Subject: Review of Submitted Resolutions and Report on Findings by the Resolutions Committee

The Resolutions Committee met via zoom On June 27, 2024 to evaluate the various Resolutions submitted by the Local Relief Associations pursuant to the Bylaws of the Association. In total, the Resolutions Committee considered three standard Resolutions and twelve (12) submitted Resolutions.

Standards Resolutions – The Association will seek approval on the following three Resolutions:

1. Resolution 2024-1 – Approving the Red Book as printed and as it appears on the State Association's website.
2. Resolution 2024-2 – Affirming the 2024 County Caucus Elections.
3. Resolution 2024-3 – Approval that the 2029 Convention Be Held in Wildwood, New Jersey.

The Resolutions Committee supports the adoption of Resolutions 2024-1, 2024-2 and 2024-3.

Proposed Resolutions – The Resolutions Committee received twelve proposed resolutions.

Burial Claims - The State Association received identical resolutions from ten Local Relief Associations including the Brooklawn Firemen's Relief Association (FRA), Clayton FRA, Deptford FRA, Franklin Township FRA, Logan FRA, Mantua Township FRA, Newfield FRA, Paulsboro FRA, Westville FRA, and Woolwich FRA. To avoid voter confusion from the duplicative efforts and because several of the Resolutions should be rejected for failure to follow submission guidelines, the Resolutions Committee considers the Franklin Township Firemen's Relief Association as the first compliant resolution of the submissions. Again the wording of the body of the resolutions are identical.

4. Resolution 2024-4 Burial Claims – This Resolution recommends amendment to Article VI, Section 2 of the By-Laws addressing Burial Claims so that the surviving sibling of the firefighter shall be eligible to be the recipient of the Burial Claim for said member of the New Jersey State Firemen's relief Association.

COUNSEL WHEN IT MATTERS.SM

Mount Laurel, New Jersey | Hamilton, New Jersey | Atlantic City, New Jersey | Camden, New Jersey

Analysis -- A similar Resolution was presented and adopted at the 2023 Convention. Following its passage, the Executive Committee considered a change and determined that no change would be made to the Bylaws. When a member of the Association becomes eligible for a Burial Claim, those funds are paid directly to the eligible recipient or directly to the funeral home providing the burial services. The Resolutions Committee recommends a NO VOTE on this Resolution as the questions was already adopted by the 2023 Convention.

Burial Benefits. Separately, the Waldwick Firemen's Relief Association seeks a Resolution to amend the burial benefits for qualified service to increase the benefit amount according to a sliding scale from 1 month of qualified service to 7 or more years of service with an escalation in payments. The Resolution Committee recognizes that this proposal is a budget proposal and therefore not eligible for consideration by the Convention. No actuarial study has been prepared to consider the long-term financial ramifications for such an increase. The Resolution is not eligible for consideration at the convention as the power to expend funds is exclusive to the Executive Committee N.J.S.A. 43:17-35 & 45.

Life Member Payments for Convention attendance -- The Avenel Firemen's Relief Association proposes a Resolution to increase Life Members payment to sixty-five percent (65%) of a delegate's payment for travel and lodging costs. The Resolution Committee recognizes that this proposal is a budget proposal and therefore not eligible for consideration by the Convention. No actuarial study has been prepared to consider the long-term financial ramifications for such an increase. The Resolution is not eligible for consideration at the convention as the power to expend funds is exclusive to the Executive Committee N.J.S.A. 43:17-35 & 45.

4855-0239-9948, v. 1

PRESIDENT ORDWAY: We already had the report of the Certified Public Accountant mentioned earlier by the Treasurer.

We'll now have the report of County Caucus Election results. Secretary Pelaia.

SECRETARY THOMAS PELAIA: The following Members were elected to serve on the Executive Committee of the New Jersey State Firemen's Association for the coming year:

PRESIDENT ORDWAY: Before I go to the mics, is there any unfinished business from the dais? Any new business from the dais?

Okay. The New Jersey State Firemen's Association welcomes comments from our Members in the audience.

The Secretary will note your comments, and because of this, we would ask you to state your name and address before speaking, and keep your comments to a three-minute time limit.

Concerns stated or actions requested by the Members will be taken under advisement by the Executive Committee for investigation, discussion, and action or disposition at a later time and date.

Thank you.

We will go to Microphone Number 4 first.

MR. MAZZARELLA: Can you hear me? Okay.

PRESIDENT ORDWAY: Yes.

MR. MAZZARELLA: Andrew Mazzarella, Middlesex County Executive Committeeman.

At the 147th Middlesex County Caucus, the Members unanimously voted on Resolution Number 3 for 2029 Convention. We're saying to vote "no."

There's time to introduce that subsequent to that. There are some concerns, and we feel that the state should form a committee, address some of the concerns, look at opportunities to improve the Convention and then we can move forward from there.

So, there's time to do that. We just encourage the other counties to do the same.

Things have changed down here in the past few years. We need to address those things. Thank you.

PRESIDENT ORDWAY: Thank you.

Let's go to Microphone Number 6.

MR. DUFFY: James Duffy, Life Member, sitting President, Matawan, 204, Monmouth County.

My dad was recognized today during the Memorial Service. Dad had 34 years on the Committee, five of which he was a Chairman.

I'd like to thank the Executive Committeemen from Monmouth County who helped dad be where he needed to be: Alfred Adam, Matawan; George Dempsey, Manasquan; Wayne C. Kepler, Neptune City; Robert J. Kelly, Howell Township.

And I'd like to thank the Presidents for putting dad where he needed to be also: Ernie Greenwald, President Emeritus; Frank Bocchino, Joe Paola, H.L. Peterson, George Heflich, Frank Gunson, and you, Mr. President, Robert Ordway.

I can't imagine the respect that this Association showed my dad in my 50 years of service, and I'd like to thank my guys for coming today. I can't imagine being anywhere else on the planet except here this weekend in September.

So, we love you all. Love you all.

On behalf of my mother, my sister, thanks for everything you did for my father, because if it wasn't for him, I wouldn't be standing here privileged and humbled as I am.

So, thank you all. Love you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Thank you.

Microphone Number 3.

MR. REED: Okay. My name is Jim Reed and I'm President of Deptford Township Relief Association.

At last year's Convention, we addressed this Body for your support of Resolution Number 6 adding the word "siblings" to the Line-of-Duty Death Benefits. I'm happy to say that 5,045 of the Delegates and Life Members voted with us voting "yes."

On behalf of the entire Membership of Gloucester County, we thank each and every one of you for voting with us on Resolution Number 6 at last year's Convention.

One would think with such a large majority of 5,045 votes passed, that the Members of the State Executive Committee would follow suit and vote "yes" for this change.

However, it took only eight Members from the County Executives voting "no" to defeat Resolution Number 6 due to not having a two-thirds majority of those Members present.

Those members that voted "no" are as follows: Cindy Badger, Atlantic County; Gerard Naylis, Bergen County; Stephen Fazekas, Burlington County; Lawrence Handlin, Hudson County; John Phillips, Hunterdon County; Andrew Mazzarella, Middlesex County; Francis X. Walker, Jr., Salem County; Joseph Mecsey, Warren County.

This year we have passed in the resolution for your consideration to the Convention and we ask for your "yes" vote again. The resolution this year is Number 4, Number 4 on the resolution.

Please ask your County Executives to vote "yes," especially those eight who voted "no."

Our votes do count.

Thank you.

PRESIDENT ORDWAY: Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Microphone Number 1.

MR. MERRIMAN: Jim Merriman, Spring Lake Heights, Firemen's Relief Association. I have been coming to this Convention since 1974, and in that time, I have heard every year the same thing. It is stated that there are 2,100 some odd Delegates, 4,000 and some odd Life Members.

It is my opinion that I think if a Life Member does the same job as the Delegate, which would mean he goes to the caucus, he goes to the two Sessions, he should be paid the same amount of money.

CONVENTION BODY: (Round of applause.)

MR. MERRIMAN: You people have had no problem putting \$12 million, which I am greatly happy for, for our Members who need help with health insurance and healthcare.

It is time to have the Life Members who, if they decided not to show up, you would not be able to justify renting this auditorium. You would be able to go to the Camden County High School gymnasium and have it.

So, I'm asking for the Executive Committeemen to vote on raising the pay for Life Members to the same as the Delegates before the next Convention. Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Thank you.

Microphone Number 2.

MR. LYONS: Good afternoon, my name is James Lyons from Cherry Hill, New Jersey.

The subject that I wanted to talk about today to all of the Members here is cancer, one of the things that is killing us. The state recently, through legislation, approved Career Firefighters, whether they are in the state health care or they have a brokered firm, the ability to be cancer screened. With that, they cancer screen ten organs. That is what they do.

The need is for expanding that. Most cancers occur when the Firefighters have retired, and not only that, there has been legislation that sits in the state for over three years now with no movement for the Volunteers.

You're asking these Volunteers to come out and to do something for free, however, they are not doing anything to protect them or the retirees.

I think that a lot of the Associations have a lot of money sitting in their coffers, and some of this money should not always be on the backs of the State Association themselves, but the Local Relief Associations.

So, with that, I think that the Executive Board should look at that and say, what can we do at the Local Relief levels to make an exception that if a Member is cancer screened, that the Local Relief Association will make the payment of reimbursement or they could facilitate having that done at their level.

Not all Relief Associations are as wealthy as some. So, what are you going to do if there's Smithtown? They may only have \$50,000. I call on the Relief Associations that have money in the millions to perhaps adopt one of these underfunded Relief Associations and help a Brother out, help a Sister out.

In Cherry Hill, thank you, very much to Donna Buscio for speaking today about "A Gift from Captain Buscio." Her Program that they have started and now have the new office in Voorhees, New Jersey, has already impacted, since January 1st, the lives of three of the Members of the Cherry Hill Fire Department.

One EMS female was diagnosed with an underlying cardiac issue. She is seeking treatment and being handled. Another Member from the Captain Buscio Program was found positive for prostate cancer, Stage I. He is in the process of having it removed, and we've had another Member there, through the cancer screening that was passed through legislation, diagnosed with – it was tonsil cancer and tongue cancer, had it removed, and he's receiving two weeks of radiation with chemotherapy.

So, these are things that, yes, they happen to people that are young, that are active on the job, but how many of these don't blossom until they're retired, or if they're Volunteer, what are we doing for them?

And when going to your Local Relief Association, they may want you to jump through the hoops and hop on one foot in order to get relief.

But I think the Executive Board has the power that they could make an exception to the Local Relief Associations to say, this is what we're going to do, and you can do this for cancer screening for your Members if they can afford it.

And I think that there is a lot we can do. I would be willing to sit down with anybody, let's come up with something. But again, legislation was passed from the state for the Career Firefighters. Perhaps we look at that, so we're not reinventing the wheel and use that as a guideline to move forward and to help the Members.

That's all I have to say. Thank you, very much, for the time.

PRESIDENT ORDWAY: Microphone Number 5.

MR. KEUNIG: Good afternoon, everyone. My name is Jack Keunig, Life Member, Qualified Member, Secretary of Denville.

I'd like to talk about some of our procedures. As of right now, all our procedures, applications, forms, are done electronically with the exception of two: The new Membership form and the Death Burial.

So, now I'm gonna tell you a little story about one application. Here's the original letter that I sent out. Day zero, I get an application. Day 1, I go to my post office, mail it, certified mail.

Day 2, it makes it to Trenton, the Distribution Center. Day 3, Farmington, the local post office.

On Day 4, they attempt delivery to the wrong Headquarters. Unfortunately, it's a Saturday. Now, I'm not placing blame anywhere, but for the next 17 days, that letter circulates somewhere around. It can neither be delivered or picked up. And on Day 22, they say it's undeliverable and it gets sent back to me.

Well, that takes time. So, Day 26 I received the letter. Day 27, going back to the post office: "Hey, postal worker, this has happened again."

Usually, they just rip off some of the stuff and send it back in the mail, but this time, no, you gotta have a new letter.

So, I go home. Day 28, we mail the letter. Post office must have been in love with this letter. So, for the next four days it sits in that post office, and then it takes five days to get from Morris County to Trenton.

Now, some of you can see I'm mobility challenged, but I could probably get it down to Trenton in five days myself.

Day 38, it goes to the Farmington Post Office. Day 39, they attempt delivery. Oh, we got a Saturday again, but we're lucky, so on Day 41, it gets to the Offices.

So, what's the big deal? He averaged approximately about 12 bucks in order to get two certified mails, but what we did was denied a number of our organizations 41 days of time.

That's two months. We are all striving to get our 84 months and he has lost at least two months and maybe three months.

We use email, we use electronics for all our devices, for all our applications, including sensitive things, such as finances, Relief applications, and we need to be able to use this for two end points of our career; the beginning and the end.

I am told that we need wet signatures on these because they are a contract. I'm going to suggest to you that with the sophistication of all of the technology we have out there, it is damn difficult to determine what is a wet signature and what is a notary seal.

I'm a notary myself. I have been told; you don't need an embosser. Most of the notary seals are just the ink. I've also been told, well, we need it on a death certificate. Well, the last several death certificates that I processed, they've had this seal incorporated into the document itself.

So, I'm asking the Committee to, please, let's continue to move, let's continue to get into this century and let us do everything electronically for the ease and speed and benefit of our Membership.

Thank you.

PRESIDENT ORDWAY: Thank you.

Microphone number 6.

CONVENTION BODY: (Round of applause.)

MR. CORBETT: Hi, Glenn Corbett, Waldwick, Bergen County.

This document I hold in my hand here is a resolution you weren't allowed to vote on today. It's a resolution to raise the Death Benefit up \$2,000 and also proposes that an increase is added every year in the future.

You weren't allowed to vote on it because, apparently, according to the legal counsel, it violates the Bylaws which says that none of us can propose anything that costs money. I don't know if you knew that or not, but that's the truth.

So, I stand here with this resolution that isn't going to be voted on tomorrow. I'm going to ask each one of you to talk to your Executive Committeemen to raise the Death Benefit to a reasonable amount.

I don't know about you guys, but that hasn't been raised since 2016. How much has cost of living gone up in those years since then?

AUDIENCE MEMBER: A lot.

MR. CORBETT: Exactly.

So, this is what's going to happen. I ask you to all talk to your Executive Committeemen, get together, raise the Death Benefit. But, I promise you, next year I'm going to be back here again with an Amendment to the Bylaws to give all of us a bigger voice in what the heck goes on, based upon what happened with this and what happened with the folks in the yellow shirts up front.

Thank you, for your time.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Thank you.

Microphone Number 3.

MR. PFEIFFER: Chris Pfeiffer from Deptford Fire Department. On March of 2023 my brother passed away in a Line-of-Duty Death, and with the benefits, yes, it did cover his funeral, but, however, I wasn't awarded the additional benefits because I was considered non-immediate family. How a brother or sister can't be immediate family, I don't understand. When I sit there, I spent a lifetime with my brother, as most siblings do, and then I see a caretaker on there that many times are only with a person for a few weeks, but yet they're considered for that. I don't understand that.

I want to take time to thank the over 5,000 people that came out last year to vote "yes" for this. Thank you, very much.

And I want to remind them that this is not about me, this is about the people in your Companies that are in the same situation, the people that will be in your Companies in the future.

Please, please, tomorrow, vote line-item number 4 "yes." Please. Make this vote count. Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Microphone Number 6.

SPEAKER: Good afternoon, Brother and Sister Firefighters. I just want to thank this Association, the Bergen County Firemen's Home Association, and the Home for what they do with our Brothers and Sisters up there.

On behalf of the Maywood Fire Department, speaking for myself, I'd like to wish George Steger, our Member up there, 101st birthday.

Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: Thank you.

Microphone Number 3.

MR. LUSHAY: Mr. President, Tom Lushay, Secretary, South Harrison Township.

Last year, and just recently, Mr. Pfeiffer from the Deptford Fire Department talked about the Line-of-Duty Death for his brother. He was denied that benefit because sibling is not one of the categories on that application, and I do remember him talking last year that he did indeed perform caretaker duties.

Therefore, I make a motion that he be approved as caretaker on that application and that the timeframe to submit be reset.

Thank you.

PRESIDENT ORDWAY: Thank you.

CONVENTION BODY: (Round of applause.)

PRESIDENT ORDWAY: I don't see any other lights on.

Tom, you got all the notes? Tom? Okay.

I'll ask Chaplain Saranchak to come up and do the Benediction.

Could you please be respectful and not leave the auditorium. This is only going to take a few minutes. Be respectful.

CHAPLAIN ANTHONY SARANCHAK: Dear God, as we get ready to go forth and enjoy the rest of our time here, let us be thankful for the beautiful town, for this nice location to enjoy the wonders of nature, the ocean, and the food, other options we have.

Help keep us all safe as Firefighters.

Let us appreciate and be thankful for some of the passion, and the time and effort people have to come, not only come here, get here safely, and for the interest and their involvement.

Bless all of the Officers of this Association, all the work they do year-round. Give them the wisdom and courage to guide us and lead us.

Let us go forward, God, give us Your protection to be safe and have more increased faith every day, and bless our families, protect us, and God bless our Firefighters and God bless America.

Amen.

PRESIDENT ORDWAY: Thank you.

That concludes today's Session.

Again, tomorrow, registration is from 7:00 to 11:00. Morning hours are the same, 7:00 to 11:00.

See you tomorrow morning. Thank you.
