Legislative Committee November 21, 2024

To all members of the Legislative Committee, the total number of bills introduced is 9,607 already for this session. There were 57 new bills added since the last report. The total number of our tracked bills stayed the same at 279, with 155 bills in Fire & Emergency Services, 73 bills in Firemen's Home, and 54 bills in Pensions. There are currently thirteen bills sitting on The Governor's Desk waiting to be signed. The Governor signed ninety-seven bills into law to date.

One of our tracked bills was heard last week in the Assembly Public Safety and Preparedness Committee, A-3895, which amends certain fire safety statutes to update licensure and equipment requirements and liability, fee, and penalty provisions. The bill was reported out of committee with amendments and sent for a second reading in the Assembly. There is nothing on the schedule for next week, I am assuming due to the Holiday.

I attended the League of Municipalities Annual Convention this past week. I attended mostly Legislative Update Sessions and Fire Related Meetings/Sessions. A lot of positive outlooks from the Legislative Sessions as most of their focus was on Looking into the Future of 2025. Concerning mainly the Governor's Race for 2025 both primary and general election.

Just a reminder the State Office will be closed on Thursday and Friday of next week for Thanksgiving. If anyone should need anything, please don't hesitate to contact me. Hope everyone enjoys their holiday.

Respectfully Submitted,

Brian E. Martone
