Legislative Committee

May 1, 2025

To all members of the Legislative Committee, the total number of bills introduced is 10,635 already for this session. There were no new bills added since the last report. The total number of our tracked bills stayed the same at 320, with 188 bills in Fire & Emergency Services, 73 bills in Firemen's Home, and 59 bills in Pensions. There are currently sixteen bills sitting on the Governor's Desk waiting to be signed. The Governor signed one hundred seventy bills into law to date.

The Governor signed one of our tracked bills this week, A-4163, which requires health insurers to provide coverage for biomarker precision medical testing. This bill takes effect 90 days after it was enacted (July 22, 2025).

There are Assembly Quorums on the schedule for next week, both Monday and Thursday. They have not posted the list of committees that will meet yet or a list of bills to be heard.

I want to thank everyone for attending the annual Legislative Committee Meeting this past week. Just a reminder the Bill Voting List is due back to me May 29, 2025. Any questions or issues with this please let me know, if you need me to explain a certain bill a little further, please don't hesitate to contact me.

Respectfully Submitted,

Brian E. Martone
Legislative Committee Chairman
First Assistant Secretary
New Jersey State Firemen's Association
