Legislative Committee Report **July 18, 2026**

The Officers have continued to discuss with the legislators' related bills that have been submitted to the appropriate committees.

Attached to this report is the activity that we receive from Matt McDermott, Matt is our advocate and I thought it would be good if each of you see the work that he is doing in Trenton on our behalf.

Current Bills that we are tracking are 159 Fire and Emergency Services, 59 Firemen's Home and 50 Pensions for a total of 268 which has not changed since our April meeting. There is a meeting set up on July 30 to discuss the Bills and Cancer Bill language as we continue to discuss covering all Volunteer firefighters.

We continue to talk with as many legislators as possible and if anyone can speak with any legislators in their county, please feel free to do so. If you have any questions, about any activity in the Senate or Assembly feel free to contact me.

Respectively submitted,

Richard Dreby
