RULES AND GUIDELINES GOVERNING HEALTH CARE ASSISTANCE

FORM 114

Introduction

These guidelines are provided to assist you and the local association with the investigation and completion of the application for Health Care Relief Form # 114.

It is a goal of The New Jersey State Firemen's Association to help aid with care to all its members (or Qualified Spouses) **who need at home care, or care in a nearby facility**, for as long as possible so they can be close to their family and brother and sister firefighters. Should the level of care be so great that at home care is not possible, relief assistance **will still be considered for care in assisted living or long-term care facilities.** This is a reimbursement program. The member or spouse will be reimbursed for the net cost of the care provided up to the dollar amount set by the Executive Committee.

When to use this assistance form

The use of this form should be considered when any member of a Local Relief Association has information that another member (or Qualified Spouse) in good standing of this association:

Needs care beyond that which they can provide for themselves.

Needs care beyond that which a spouse, family member, or friend can or will provide.

Things to consider

The member (or qualified spouse) needs help attending to their personal hygiene and care, changing bandages, or attending to other physical or medical needs for themselves.

The spouse or other family member works or has obligations during the day and member (or qualified spouse) cannot be left alone in residence.

Does the member have any insurance that will cover any or all the cost for the necessary services?

How many hours a day and or days of the week the member needs assistance.

All applications are valid for one year and each application will need to be resubmitted annually from date of original approval, or if the reason for the original application changes. **This is done by the state office.**

If the local association denies the applicant, please contact the state office for the appeal process at (800)-852-0137.

These funds may not be used to offset any payment or costs for guests admitted to the New Jersey Firemen's Home but can be used while a member is awaiting admittance or on a waiting list.

Once a member becomes eligible for Medicaid this benefit will cease.
